**Christianity, Femininity and Social Change in Contemporary China** Li Ma, 2019-12-11 Women make up the vast majority of Protestant Christians in China a largely faceless majority as their stories too often go untold in scholarly research as well as popular media This book writes Protestant Chinese women into

the history of twenty first century China It features the oral histories of over a dozen women highlighting themes of spiritual transformation politicized culture social mobility urbanization and family life Each subject narrates not only her own story but that of her mother as well revealing a deeply personal dimension to the dramatic social change that has occurred in a matter of decades By uncovering the stories of Christian women in China Li Ma offers a unique window onto the interactions between femininity and Christianity and onto the socioeconomic upheavals that mark recent Chinese history Christian's Mistake Dinah Maria Mulock Craik,1865 *The Last Miracle* Stefan Zweig,2025-09-09 A unique collection of stories presented together here for the first time from one of the great voices of the European Jewish diaspora This collection from one of the great pre war writers himself a member of Europe s Jewish diaspora highlights the precarious position that Jewish people have occupied throughout millennia in stories that move across centuries and nations but show the unchanging pressure of outsider status But these stories are about individuals too in Zweig s treatment the particular passions of particular hearts will always blaze out brightly against the levelling forces of history In Mendel the Bibliophile a bookseller s obsession with his wares blinds him to the progress of war and the threat it poses to his own life Monomania is also an overpowering force in Downfall of the Heart in which an aging father cannot accept his daughter s embrace of new freedoms The Miracles of Life is a masterfully ironic tale which plays with the tension between faith and morality society and individual against the backdrop of 1500s Antwerp and the Dutch rebellion against Spanish rule In the Snow sees a Jewish community in medieval Eastern Europe fleeing the violence of a Christian sect And in the longest piece in the collection the novella The Buried Candelabrum we go all the way back to the ancient world where the recovery of a sacred seven branched candlestick stolen during the sack of Rome will become a young Jewish boy s life s mission *Marie Grubbe* J. P.
