Sheep In Wolves Clothing When The Actions Of A Christian Turn Criminal:

Sheep in Wolves' Clothing Joseph Williams, 2000 A heroin addict A career criminal How did Joseph Williams walk through the valley of the shadow of death and emerge not only safe but reconciled to and on fire for Jesus Christ Now working for Prison Fellowship readers will be amazed at the inspiring story of how Williams was a lost sheep who was doggedly pursued by a loving Savior he had invited into his heart as a teen Excellent encouragement for those praying for lost sheep in their lives or those contemplating a return to the fold of the loving Shepherd *It's Not about You* Rebecca Florence Osaigbovo, 2010-05 It can hurt to hear someone tell it like it is But sometimes you need to get the truth straight up And the truth is that it s not about you it s about God Maybe you have relied on your own strength for far too long You haven't been able to count on other people so you just do your own thing But God has bigger plans for you God wants to use you to change the world Rebecca Osaigbovo conference speaker and author of Chosen Vessels shows how black women can stand up to Satan s lies and face tough problems not in your own strength but by finding God s strength in the midst of your weaknesses She says this to women who want to be the keys to change in their homes churches and communities If you want things to be different then stop going your own way and follow God s lead Lean not on your own understanding and he ll make your paths straight **Taking Care of Business** Lee Jenkins, 2001 Despite trillions of dollars spent and the development of welfare programs poverty has actually gotten much worse Nationally 30 percent of black families live below the poverty line an increase of 20 percent since 1969 Jenkins knows that poverty is not corrected by a redistribution of wealth but by the transformation of people In his new book he offers comprehensive strategies for setting goals in the areas of family faith friends finances and fitness *Planting Seeds of Hope* Matthew Parker, Eugene Seals, 2000-07 African American youth are looking for role models they can trust The network of support is already in place God has placed many of His most compassionate workers among today s African American young people This book is written to help youth workers pastors parents and others who care about reaching young people with the hope of the Gospel The authors hope that this book will help in the task of bringing permanent change to our community which is full of promise and need Written by many who are personally involved with youth it explores how to earn the trust of young people place youth in position to know the God who created them work with the community and family network allow young people to become a part of your life prepare young people for college balance spirituality and social justice counsel African American students in crisis Our young people are worth the effort it takes to present them to God and to prepare them for a future bright with promise and hope Back cover *The Publishers Weekly*, 2000 **YESHUA, THE CRUCIFIED SERPENT** Rowland Stenrud, 2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s Yeshua the Crucified Serpent is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of

human and divine love The words of Paul in 1 Corinthians 13 1 13 the Bible as a whole and the reader's life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh's eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God's work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

Black Newspapers Index, 2005 The Non-Crucifixion of Jesus Ahmed Ismail, 2008 The overemphasis for the importance of the crucifixion or death of Jesus on the cross was not put in place until the era of Constantine Historically the issue of whether Jesus was or was not on the cross and crucified was settled around 148 AC according to the Roman church's satisfaction In addition the idea

of Jesus being crucified was believed by certain Jewish Christian sects for various reasons from the time of the actual crucifixion event Furthermore the declaration that Jesus rose from the dead was bound to cause trouble to those who lacked a deep comprehension in religious matters The reasons for this are varied It must not be forgotten however that during many decades the forming church and its multitudinous sects were undergoing excruciating turmoil within and outside its ranks and this caused a lot of confusion to enter into the mix Before the actual formation of Christianity as a distinct religious movement several ideas were floating around and one of them was that Jesus was not of the flesh but a spiritual being To counteract that idea the notion that Jesus was actually crucified took concrete shape as if to prove his real existence and that he was not just an angelic figure but a real person The truth concerning the crucifixion event is astounding but only when an honest approach to all of the scriptures and a truthful look at history is applied That is the truth but acceptance of this truth is quite another matter indeed
