Poetry: The Basics Jeffrey Wainwright, 2015-10-30 Now in its third edition Poetry The Basics remains an engaging exploration of the world of poetry Drawing on examples ranging from Chaucer to children s rhymes Cole Porter to Carol Ann Duffy and from around the English speaking world it shows how any reader can understand and gain more pleasure from poetry Exploring poetry s relationship to everyday language and introducing major genres and technical aspects in an accessible way it is a clear introduction to how different types of poetry work through the study of details and of whole poems With a revised chapter on the different practices and ideas in the writing of poetry now including sections on film poetry and digital poetics this is a must read for all students of English Literature Difficult Ornaments Ange Mlinko, Professor Department of English University of Florida Ange Mlinko, 2024 Difficult Ornaments is a book about six twentieth century American poets the mythical Florida they explored and the American tropical style they created Wallace Stevens Marianne Moore Elizabeth Bishop James Merrill and Harry Mathews compose a chain of friendship and influence Only Laura Riding Jackson stands apart as a poet who renounced poetry and became a recluse on a citrus farm In proximity to the tropics nature s own laboratory of invention and experiment the more fecund and experimental their poetry became The ornaments of poetry correspond to the ornaments of nature which is why the peacock that most decorated of birds features so prominently their work These seven essays comprise a lyrical meditation on literary style that ranges through history and myth in order to better understand the relationship between persons and places weather and language the climate of the planet and the climate of the mind **New Makers of Modern Culture** Justin Wintle, 2016-04-22 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New

Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms **Natural and Necessary Unions** Dan Robinson,2020 The story of how the quest for autonomy from an over mighty south eastern England shaped the history of three communities Scotland Ireland and Northumbria A history for our time showing that the choice between union and independence that shapes current debates about the future of the united kingdom in the age of brexit is a false one Book jacket Strange Likeness Chris Jones,2010-10-14 Strange Likeness provides the first full account of how Old English or Anglo Saxon was rediscovered by twentieth century poets and the uses to which they put that discovery in their own writing Chapters deal with Ezra Pound W H Auden Edwin Morgan and Seamus Heaney Stylistic debts to Old English are examined along with the effects on these poets work of specific ideas about Old English language and literature as taught while these poets were studying the subject at university Issues such as linguistic primitivism the supposed purity of the English language the politics and ethics of translation and the construction of Englishness within the literary canon are discussed in the light of these poets and their Old English encounters Heaney s translation of Beowulf is fully contextualized within the body of the rest of his work for the first time Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

Autobiographical Poetry in England and Spain, 1950-1980 Menotti Lerro,2017-03-07 The volume traces the founding critical theories of the autobiographical genre from the Enlightenment period to the most recent developments which since the Sixties and the essays of Roy Pascal and Jean Starobinski have had a greater and greater influence It offers in contrast to the essential and by now classic definition of Philippe Lejeune an increased effectiveness of the poem to express the narrative purposes of autobiography recognizing poetic writing that has the extraordinary ability to say what the mortal language does not say to quote Leopardi The works of Seamus Heaney Thom Gunn Carlos Barral and Jaime Gil de Biedma are analyzed here and show an unveiling of the self through memories places and objects that often characterize them and that allow to whomever recalls one s own experience through writing the recovery and restoration of essential meanings to the reconstruction not only of subjective identity but also of one s own community On Elizabeth Bishop Colm Tóibín,2025-02-04 A compelling portrait of a beloved poet from one of today s most acclaimed novelists In this book novelist Colm Tóibín offers a deeply personal introduction to the work and life of one of his most important literary influences the

American poet Elizabeth Bishop Ranging across her poetry prose letters and biography Tib n creates a vivid picture of Bishop while also revealing how her work has helped shape his sensibility as a novelist and how her experiences of loss and exile resonate with his own What emerges is a compelling double portrait that will intrigue readers interested in both Bishop and Tib n For Tib n the secret of Bishop s emotional power is in what she leaves unsaid Exploring Bishop s famous attention to detail Tib n describes how Bishop is able to convey great emotion indirectly through precise descriptions of particular settings objects and events He examines how Bishop s attachment to the Nova Scotia of her childhood despite her later life in Key West and Brazil is related to her early loss of her parents and how this connection finds echoes in Tib n s life as an Irish writer who has lived in Barcelona New York and elsewhere Beautifully written and skillfully blending biography literary appreciation and descriptions of Tib n s travels to Bishop s Nova Scotia Key West and Brazil On Elizabeth Bishop provides a fresh and memorable look at a beloved poet even as it gives us a window into the mind of one of today s most acclaimed novelists

Thinking Continental Tom Lynch, Susan Naramore Maher, Drucilla Wall, O. Alan Weltzien, 2017-11-01 In response to the growing scale and complexity of environmental threats this volume collects articles essays personal narratives and poems by more than forty authors in conversation about thinking continental connecting local and personal landscapes to universal systems and processes to articulate the concept of a global or planetary citizenship Reckoning with the larger matrix of biome region continent hemisphere ocean and planet has become necessary as environmental challenges require the insights not only of scientists but also of poets humanists and social scientists Thinking Continental braids together abstract approaches with strands of more personal narrative and poetry showing how our imaginations can encompass the planetary while also being true to our own concrete life experiences in the here and now

The Classics in Modernist Translation Lynn Kozak, Miranda Hickman, 2019-02-07 This volume sheds new light on a wealth of early 20th century engagement with literature of Graeco Roman antiquity that significantly shaped the work of anglophone literary modernism The essays spotlight translation a concept the modernists themselves used to reckon with the Classics and to denote a range of different kinds of reception from more literal to more liberal translation work as well as forms of what contemporary reception studies would term adaptation refiguration and intervention As the volume s essays reveal modernist translations of Classical texts crucially informed the innovations of many modernists and often themselves constituted modernist literary projects Thus the volume responds to gaps in both Classical reception and Modernist studies essays treat a comparatively understudied area in Classical reception by reviving work in a subfield of Modernist studies relatively inactive in recent decades but enjoying renewed attention through the recent work of contributors to this volume The volume s essays address work significantly informed by Classical materials including Homer Sophocles Euripides Sappho Ovid and Propertius and approach a range of modernist writers Pound and H D among the modernists best known for work engaging the Classics as well as Cummings Eliot Joyce Laura Riding and Yeats
