Shells Yale Series Of Younger Poets:

Shells Craig Arnold,1999 A collection of poems that celebrate food and sex describe the dangers inherent in them both and the ways in which food can serve to hide and reveal feelings about relationships and discuss the shells that people build around themselves hoping for protection but finding only a place to hide He Held Radical Light Christian Wiman,2018-09-11 A moving meditation on memory oblivion and eternity by one of our most celebrated poets What is it we want when we can t stop wanting And how do we make that hunger productive and vital rather than corrosive and destructive These are the questions that animate Christian Wiman as he explores the relationships between art and faith death and fame heaven and oblivion Above all He Held Radical Light is a love letter to poetry filled with moving surprising and sometimes funny encounters with the poets Wiman has known Seamus Heaney opens a suddenly intimate conversation about faith Mary Oliver puts half of a dead pigeon in her pocket A R Ammons stands up in front of an audience and refuses to read He Held Radical Light is as urgent and intense as it is lively and entertaining a sharp sequel to Wiman s earlier memoir *My Bright Abyss* The New American Poets Michael Collier,2000 A stellar collection celebrates the vitality of American poetry at the turn of the new century Collier is director of the Bread Loaf Writers Conference which encourages the most promising new and young writers in America 59 illustrations **School of Music Programs** University of Michigan. School of Music,1999 **Picture Bride** Cathy Song,1983-01-01 Poems portray people s journeys and migrations and pay homage to the art of the American painter Georgia O Keeffe and a Japanese printmaker Starting Today Rachel Zucker,Arielle Greenberg,2010-04-09 The poems in this anthology document the political and personal events of the president s crucial first days through a variety of contemporary poetic voices Warnings against Myself David Stevenson,2016-03-01 From his youthful second ascent of the north ridge of Mount Kennedy in the Yukon s Saint Elias Range an in and out on skis for which he had not entirely learned how to ski to a recent excursion across the Harding Icefield conceived under the influence of rain and whiskey David Stevenson chronicles several decades of a life unified by a preoccupation with climbing Reflective and literary and also entertaining and funny his accounts move across the great climbing locations of the western United States with forays into the spires of the Alps and slip freely in time from the author s childhood when he could not wait to head west to his adulthood with a wife and two sons in which he still feels compelled by a longing to be on the heights The Best American Poetry 2006 Billy Collins,2008-06-17 A vivid anthology of poems filled with wit humor imagination and surprise selected by guest editor Billy Collins The seventy five poems in an array of styles and forms in this collection celebrate the pleasures of poetry from writers as varied as Laura Cronk to Reb Livingston With insightful comments from the poets illuminating their work and series editor David Lehman s thought provoking foreword The Best American Poetry 2006 is a brilliant addition to a series that links the most noteworthy verse and prose poems of our time to a readership as discerning as it is devoted to the art of poetry Dispatches from the End of Ice Beth Peterson,2019-11-28 The future of the world s ice

is at a critical juncture marked by international debate about climate change and almost daily reports about glaciers and ice shelves breaking oceans rising and temperatures spiking across the globe These changing landscapes and the public discourse surrounding them are changing fast It is science wrought with mystery and for Beth Peterson it became personal A few months after Peterson moved to a tiny village on the edge of Europe's largest glacier things began to disappear The glacier was melting at breakneck pace and people she knew vanished her professor went missing while summiting a volcano in Japan and a friend wandered off a mountain trail in Norway Finally Peterson took a harrowing forty foot fall while ice climbing Peterson's effort to make sense of these losses led to travels across Scandinavia Italy England and back to the United States She visited a cryonics institute an ice core lab a wunderkammer Wittgenstein's cabin and other museums and libraries She spoke with historians guides and scientists in search of answers Her search for a noted glacier museum in Norway led to news that the renowned building had set on fire in the middle of the night before and burned to the ground

Dispatches from the End of Ice is part science part lyric essay and part research reportage all structured around a series of found artifacts a map a museum an inventory a book in an attempt to understand the idea of disappearance It is a brilliant synthesis of science storytelling and research in the spirit of essayists like Robert Macfarlane John McPhee and Joni Tevis Peterson's work veers into numerous terrains orbiting the idea of vanishing and the taxonomies of loss both in an unstable world and in our individual lives

Ravishing DisUnities Agha Shahid Ali, 2000-11-03 A star studded anthology infuses English poetry with the rigor and wit of a foreign form In recent years the ghazal pronounced ghuzzle a traditional Arabic form of poetry has become popular among contemporary English language poets But like the haiku before it the ghazal has been widely misunderstood and thus most English ghazals have been far from the mark in both letter and spirit This anthology brings together ghazals by a rich gathering of 107 poets including Diane Ackerman John Hollander W S Merwin William Matthews Paul Muldoon Ellen Bryant Voigt and many others As this dazzling collection shows the intricate and self reflexive ghazal brings the writer a unique set of challenges and opportunities Agha Shahid Ali's lively introduction gives a brief history of the ghazal and instructions on how to compose one in English An elegant afterword by Sarah Suleri Goodyear elucidates the larger issues of cultural translation and authenticity inherent in writing in a borrowed form
