Learning English National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Division of Behavioral and Social Sciences and Education, Board on Science Education, Board on Children, Youth, and Families, Committee on Fostering School Success for English Learners: Toward New Directions in Policy, Practice, and Research, 2017-09-25 Educating dual language learners DLLs and English learners ELs effectively is a national challenge with consequences both for individuals and for American society. Despite their linguistic cognitive and social potential, many ELs who account for more than 9 percent of enrollment in grades K-12 in U.S. schools are struggling to meet the requirements for academic success and their prospects for success in postsecondary education and in the workforce are jeopardized as a result. Promoting the Educational Success of Children and Youth Learning English: Promising Futures examines how evidence based on research relevant to the development of DLLs/ELs from birth to age 21 can inform education and health policies and related practices that can result in better educational outcomes. This report makes recommendations for policy practice and research and data collection focused on addressing the challenges in caring for and educating DLLs/ELs from birth to grade 12.

Second Language Pronunciation Ubiratã Kickhöfel Alves, Jeniffer Imaregna Alcantara de Albuquerque, 2022-12-19 In the field of second language L2 acquisition, the number of studies focusing on L2 pronunciation instruction and perceptual production training has increased as new classroom methodologies have been proposed and new goals for L2 pronunciation have been set. This book brings together different approaches to L2 pronunciation research in the classroom or in the language laboratory. 13 chapters written by well-known researchers focusing on a variety of first and target languages are divided into four parts: Pronunciation development and intelligibility; implications for teaching and training; studies on L2 pronunciation teaching; L2 pronunciation training; implications for the classroom and Pronunciation in the laboratory. High Variability Phonetic Training: Intended for researchers in the fields of second language acquisition, phonetics, phonology, psycholinguistics, speech therapies, speech technology, as well as second language teaching, this book not only summarizes the current research questions on L2 pronunciation teaching and training but also predicts future scenarios for both researchers and practitioners in the field.

Reforming Bilingual Education United States. Congress. House. Committee on Education and the Workforce. Subcommittee on Early Childhood, Youth, and Families, 1999

Teaching and Learning in Two Languages Eugene E. Garcia, 2005 This is the most comprehensive up-to-date volume on the state of bilingual education in the United States and in particular on effective curriculum and instructional approaches. Eugene Garcia, a renowned authority on bilingual education, depicts the vast scope and complexity of the problem of educating English language learners. He sets forth a conceptual framework to guide educational policy and practice that reflects democratic ideals and values. This authoritative reference provides a comprehensive review of theory, research, practice, and policy that accurately characterizes the education of bilingual students in U.S. schools. Presents an analysis of teachers, classrooms, schools, and communities that have successfully educated bilingual children by employing

diverse instructional strategies Addresses language social and cognitive issues as they intersect with various instructional practices Identifies the characteristics of effective bilingual education programs presenting examples of school programs that exemplify these characteristics A valuable resource for teachers administrators and researcher an excellent text for a graduate class TC Record Teachers administrators school counselors and policymakers urgently need resources to guide the formulation of culturally and linguistically compatible classroom practices Teaching and Learning in Two Languages is just such a resource Carlos J Ovando Arizona State University A comprehensive examination by one of the top experts in the field This book provides guidance to American schools at a time when the need for bilingual bicultural citizens is most needed in the democratic sphere Lourdes Diaz Soto The Pennsylvania State University

The Miseducation of English Learners
Grace P. McField, 2014-01-01 Sometimes you need to hear the story from the beginning The Miseducation of English Learners examines the initial policy impact of Structured English Immersion SEI an English only program mandated for English Learners ELs in California Arizona and Massachusetts in the United States The book features analyses of the legal context and parameters of SEI research history on SEI SEI language policy and policy implementation according to situated context and the educational priorities and legal rights of ELs The book examines the history of SEI in the educational research literature and as it has been interpreted in the context of the legal requirement for schools to take appropriate action to meet the needs of ELs following the historic Lau v Nichols 1974 court decision The Miseducation of English Learners also presents and considers the implementation of SEI in comparative contexts from various perspectives including teacher education the classroom and legal In several of the chapters SEI implementation is examined in concert with other factors that have effected the teaching and progress of ELs such as Senate Bill 2042 2001 that overhauled the teacher education process in California and the federal No Child Left Behind legislation signed into law on January 8 2002 Moreover the book provides implications and recommendations for teaching research advocacy and policy change The Miseducation of English Learners addresses and invites the readers to consider the following key questions How appropriate is the mandated SEI program for ELs both in substance and in the one year duration as specified in the three voter initiated propositions Proposition 227 Proposition 203 and Question 2 What issues themes and patterns can be noted in the implementation of SEI in California Arizona and Massachusetts Why might the student outcomes not show the desired results in measures such as achievement test scores or dropout rates What necessary changes are called for in order to enhance or in some cases supplant the SEI programs and services in place for ELs Are ELs parents and other stakeholders able to thoughtfully select desired and optimal instructional programs and participate meaningfully in the educational process of language minority students under the SEI mandates
