Curry v. City of Highland Park, 242 MICH 614 (1928) ,1928 15 Negotiating the Mediated City Zlatan Krajina,2013-11-26 This book is an interdisciplinary empirical investigation of how people interact with public screens in their daily lives In more and more surprising locations screens of various kinds appear within the sightlines of passers by in contemporary cities Outdoor advertisers target audiences which are increasingly mobile public art uses screens to interrogate urban change while postmodern architecture finds electronic imagery a suitable tool of expression Traditionally urban sociology research has assumed that people seek to filter urban stimuli but recent accounts of public screens suggest producers design and position display interfaces site specifically so as to engage with those moving past This study offers insight both into the dynamics of actual encounters and into the long term process of how people learn to live with repeated invitations to consume media in public spaces The book includes four cases street advertising underground transport advertising and installation art in London UK and media facade architecture in Zadar Croatia Krajina shows that maintaining familiarity with everyday surroundings in media cities that change beyond citizens control is a temporary achievement and a recursive struggle Finalist for the Jane Jacobs Urban Communication Foundation book award 2014

memoir telling action research data and future projection that reminds and inspires experiences academics researchers professionals as well as a wider public to recognize the fundamental importance and the impellent need for more and better work in favour of true political and societal recognition of the needs and rights of children to play freely to participate to live fully and enjoy their neighbourhoods and cities and to imagine and construct alternative futures together with adults The book s abundant spoken dialogue is in effect storytelling between children and youth on their own and with adults especially the elderly It conveys an appreciation of children s special capacities to think critically about their everyday places and the greater world around them and to develop solutions or projects for the problems they identify This book serves an effective catalyst for stimulating rich discussion of the theoretical and practical bases of the many themes or areas of study which are treated in the story

The City of Sharon Byron R. Bowen, 2013-09-05 A Free World Novel THE CITY OF SHARON Real or Imagined The story is based on actual happenings The totalitarian situation is common knowledge Some of the dialog is based on rumor and hearsay and sketchy news reports The characters are aware of limited mythical influence caused by extreme duress A prime character Frederick von Popenov spent the first ten years of his life living with his family on a small farm in the country Life suddenly changed when the nations political party in control nationalizes industry and sets up the police state and the network city Nobody was allowed to own property or valuables Many lower class people were sent to work in the common factories and on the common farms The class workers and peasants sent to live and work at the City of Sharon found life difficult Caught in the chaos and desperation of the common movement they miraculously escape the gulag or prison A series of events involve a people from another side whose presence and assistance culminates in the prisoners escape into the hills around the devastated city Unknown to the public due to the type of people sent to live there the City of Sharon had been set up as a designated bombing target by the World Board of Directors While the prisoners make their escape the city is obliterated by a nuclear bomb Those who remained there were killed Those who lived in other network cities became suspicious of their invisible government due to the total devastation of the city All the people begin to look for a way out of party domination Timorous desperate and frightened the fugitives begin a free world civilization in the wilderness about the the city of Sharon The survivors elude the authorities in control of the totalitarian state and build a military defense system and prepare to defend their new found freedom or nation

Surf City Dean Torrence, 2016-09-13 The Jan and Dean Story is a personal story of the iconic musician and entrepreneur Dean Torrence As a memoir The Jan and Dean Story has elements of humor tragedy and redemption It tells their story from the early high school friendship struck up between Jan Berry and Dean Torrence and their ascent to the dizzying heights of stardom riding the crest of the surf craze The Jan and Dean Story is as much about the culture of the 1960s as it is about music Dean has lived an incredible life and continues to promote a lifestyle and surf culture that is now universally admired and followed throughout the world The story also recounts Jan s tragic car accident and his ability to recover enough to continue to perform will be inspiring to many

readers even those not familiar with surf music For pop culture addicts and music buffs alike this book is indispensable As early teen icons Jan and Dean left an indelible mark on the music of the 60 s and the American psyche Dean Torrence is still touring and creating music and often appears with the Beach Boys and other groups from the heyday of surf music
