Look At A Kitten:

Look at a Kitten Dare Wright, 1975 A photographic introduction to the growth and behavior of cats and kittens **The Humane Society of the United States Complete Guide to Cat Care** Wendy Christensen, Humane Society of the United States, 2004-04-20 A guide to caring for cats and kittens that provides information on proper feeding grooming nutrition health care and training *The Cat Owner's Manual* Eric Allan, 1994 **Look! We Have Come Through!** Lara Feigel, 2022-08-18 Her intensity and intimacy are engaging Blake Morrison Guardian A lovely urgent serious book Tessa Hadley Refreshing and unexpected Daisy Hay Financial Times Brilliantly interweaving literary criticism biography and memoir Look We Have Come Through is a captivating exhumation of an author and a compelling manifesto for exposing ourselves to difficult and dangerous views Lara Feigel listens to birds outside her window their circling strident calls and thinks of D H Lawrence It is the spring of 2020 and as the pandemic takes hold she locks down in rural Oxfordshire with her partner her two children and that most explosive of writers Proceeding month by month through the year she sets out to start again with Lawrence to find vital literary companionship to use him as a guide to rural living and even unexpectedly to child rearing to find a way through his writing to excavate the modern world she feels he helped bring into being Tracing the arc of Lawrence's life and delving deep into his writings she confronts his anger his passion his tumultuous vitality In the process she faces some of today's most urgent dilemmas from secular religion to the climate crisis from sex and sexuality to feminism's ideas about motherhood And as she watches the seasons change alongside Lawrence Feigel finds the rhythms of her own life shifting in unexpected ways **The Clever Little Kitten: World Book Day 2012** Holly Webb, 2012-02-02 Molly loves animals and wants to be a vet when she grows up just like her dad As everyone says she's got the magic touch Posy the kitten isn't sure what her magic is for When she is brought into the vet's with an injured tail Molly decides to help Posy find out what her magic is for before she gets hurt again *The Ragged Trousered Philanthropists* Robert Tressell, 2016-08-30 In writing this book my intention was to present in the form of an interesting story a faithful picture of working class life more especially of those engaged in the Building trades in a small town in the south of England I wished to describe the relations existing between the workmen and their employers the attitude and feelings of these two classes towards each other their circumstances when at work and when out of employment their pleasures their intellectual outlook their religious and political opinions and ideals The action of the story covers a period of only a little over twelve months but in order that the picture might be complete it was necessary to describe how the workers are circumstanced at all periods of their lives from the cradle to the grave Therefore the characters include women and children a young boy the apprentice some improvers journeymen in the prime of life and worn out old men I designed to show the conditions relating from poverty and unemployment to expose the futility of the measures taken to deal with them and to indicate what I believe to be the only real remedy namely Socialism I intended to explain what Socialists understand by the word poverty to define the Socialist theory

of the causes of poverty and to explain how Socialists propose to abolish poverty It may be objected that considering the number of books dealing with these subjects already existing such a work as this was uncalled for The answer is that not only are the majority of people opposed to Socialism but a very brief conversation with an average anti socialist is sufficient to show that he does not know what Socialism means The same is true of all the anti socialist writers and the great statesmen who make anti socialist speeches unless we believe that they are deliberate liars and imposters who to serve their own interests labour to mislead other people we must conclude that they do not understand Socialism

Oh, Tama! Mieko Kanai, 2019-04-23 A deeply eccentric novel about lives and connections and a cat of course in 1980s Tokyo witty offbeat and strangely profound Oh Tama describes the haphazard lives of Natsuyuki Kanemitsu and his loosely connected circle of dysfunctional acquaintances and family Natsuyuki is prevailed upon by his friend Alexandre an occasional porn film actor to adopt the very pregnant cat Tama who gives birth and remains throughout the novel as a silent observer of her human hosts Further complications arise surrounding the mystery of who the father of Alexandre's sister Tsuneko's unborn child is with Tsuneko a bar owner happy to collect money from anyone who may be responsible One of these possible dads turns out to be Natsuyuki's half brother abandoned and forgotten long ago as easily as Tama has parted with her kittens A fast and comedic novel Oh Tama plays out against a backdrop of cramped apartments and cheap food and drink where everyone seems to have an opinion on film photography and fashionable French art theory It is part of the author's esteemed series of Mejiro novels named after the northwest area of Tokyo that so richly informs their urbanity and outlook
