Behind the Screen Brynn W. Shiovitz, 2023 How and why was outdated racial content and specifically blackface minstrelsy not only permitted but in fact allowed to thrive during the 1930s and 1940s despite the rigid motion picture censorship laws which were enforced during this time Introducing a new theory of covert minstrelsy this book illuminates Hollywood's practice of capitalizing on the Africanist aesthetic at the expense of Black lived experience Through close examination of the musicals made during this period this book shows how Hollywood utilized a series of covert guises or subterfuges complicated and further masked by a film's narrative framing and novel technology to distract both censors and audiences from seeing the ways in which they were being fed a nineteenth century White narrative of Blackness Drawing on the annals of Hollywood's most popular and its extremely rare films *Behind the Screen* uncovers a half century of blackface application by delicately removing the individual layers of disguise through close analyses of films which paint tap dance swing and other predominantly Africanist forms in a negative light This book goes beneath the image of recognizable White performers including Al Jolson Eddie Cantor Fred Astaire and Eleanor Powell exploring the high cost of their onscreen representational politics The book also recuperates the stories of several of the Black artists whose labor was abused during

the choreographic and filming process Some of the many newly documented stories include those of The Three Chocolateers The Three Eddies The Three Gobs The Peters Sisters Jeni Le Gon and Cora La Redd In stripping away the various disguises involved during Hollywood's Golden Age Behind the Screen recovers the visibility of Black artists whose names Hollywood omitted from the credits and whose identities America has written out of the national narrative *Roses Are Red* Alexis Murrell ,2020-10-30 ARE YOU WILLING TO PAY THE PRICE FOR LOVE Love an invisible oblivion something you can't grab but it's known to all mankind It can take on many forms never staying the same for too long always evolving and changing intensity All of us want a taste rather we seek it out consciously or subconsciously But there's one thing you need to understand about love it can come with a price One you may not be willing to pay My advice to you find out what that price is before it's too late Because if you don't you'll end up like me caught between love's thorns fighting for your life with only one way out My name is Edith and this is my story Warning this book contains some graphic scenes and deals with a very sensitive subject matter Please read the sample warning page and prologue to see if you would like to read this trilogy
