Redding, 2025-09-22 There's something about a feud real or imagined that burrows deep into the bones of a story. It's the heartbeat of legacy and loyalty of justice twisted by time and of grudges that refuse to die. To Finish a Feud is not just the first installment in the Trace Newater series it's a time jumping mystery layered narrative that challenges how far the past can reach into the present. Set against the backdrop of an old Kentucky blood feud and propelled forward by a modern day FBI agent with a knack for asking the wrong questions or maybe the right ones at the wrong time this book weaves history suspense and a touch of techno conspiracy into a story that grips from the first shot fired near a courthouse in 1882 to the digital footprints left by a missing man in 2025. At the center of it all is Trace Newater a protagonist who isn't afraid to dig through dust secrets or bureaucracy. His journey into a cold case that shouldn't matter anymore reveals a lot more than old grudges. It raises questions about time family and how much of ourselves we leave behind in the stories we don't tell. So whether you're here for the slow burning history or the pulse of a present day investigation welcome. The feud isn't finished yet but you're about to see how it begins. *Crossroads* Nikola Jakupec, 2016-07-03 Ryan is a high school senior who along with his five friends loves exploring old and abandoned buildings and solving their past. Tasked with leading the group he's always the first one in the field. Being such a tightly knit gang there are hardly any secrets between them. But face with limited time left together before they go their separate ways old pacts are broken and forbidden relationships are uncovered after an unsuccessful operation setting in motion a chain of events that will leave the group shattered. Ryan in the midst of all the fighting will have to ask himself who his real friends are and how much their friendship is really worth to him.
