

Looking Back 1990

Jörg Arnold

Looking Back 1990:

The 1990s: A Decade of Contemporary British Fiction Nick Hubble, Philip Tew, Leigh Wilson, 2015-05-21 How did social cultural and political events in Britain during the 1990s shape contemporary British Fiction From the fall of the Berlin Wall to the turn of the millennium the 1990s witnessed a realignment of global politics Against the changing international scene this volume uses events abroad and in Britain to examine and explain the changes taking place in British fiction including the celebration of national identities fuelled by the move toward political devolution in Northern Ireland Scotland and Wales the literary optimism in urban ethnic fictions written by a new generation of authors born and raised in Britain the popularity of neo Victorian fiction Critical surveys are balanced by in depth readings of work by the authors who defined the decade including A S Byatt Hanif Kureishi Will Self Caryl Phillips and Irvine Welsh an approach that illustrates exactly how their key themes and concerns fit within the social and political circumstances of the decade **Rethinking The 1990s**

Oxford Editor, 2025-11-12 Rethinking the 1990s provides a timely thought provoking retrospective on a decade of world historical importance In an era of intensifying geopolitical rivalry economic nationalism and ideological extremism this wide ranging analysis explores the great hopes and expectations that inspired Western policymakers in the decade after the Cold War Providing much needed historical perspective it offers new insight into the strategic choices political trade offs and missed opportunities that have brought the world to this unsettled moment Written in a highly accessible style these engaging essays by leading experts will make it attractive to students and the educated reading public as well as essential reading for scholars of world politics The Korean Popular Culture Reader Kyung Hyun Kim, Youngmin Choe, 2014-03-07

This collection provides a timely and essential foundation for studying Korean popular culture K pop by looking at its global popularity relation to the contemporary cultural landscape and historical roots **The Allied Air War and Urban Memory** Jörg Arnold, 2011-08-22 The cultural legacy of the air war on Germany is explored in this comparative study of two bombed cities from different sides of the subsequently divided nation Contrary to what is often assumed Allied bombing left a lasting imprint on German society spawning vibrant memory cultures that can be traced from the 1940s to the present While the death of half a million civilians and the destruction of much of Germany's urban landscape provided usable rallying points in the great political confrontations of the day the cataclysms were above all remembered on a local level in the very spaces that had been hit by the bombs and transformed beyond recognition The author investigates how lived experience in the shadow of Nazism and war was translated into cultural memory by local communities in Kassel and Magdeburg struggling to find ways of coming to terms with catastrophic events unprecedented in living memory Projecting Science and Engineering Personnel Requirements for the 1990s United States. Congress. House. Committee on Science, Space, and Technology. Subcommittee on Investigations and Oversight, 1993 *Arresting Images* Steven C. Dubin, 2013-10-18 Although contemporary art may sometimes shock us more alarming are recent attempts to regulate its display Drawing upon extensive

interviews a broad sampling of media accounts legal documents and his own observations of important events sociologist Steven Dubin surveys the recent trend in censorship of the visual arts photography and film as well as artistic upstarts such as video and performance art He examines the dual meaning of arresting images both the nature of art work which disarms its viewers and the social reaction to it Arresting Images examines the battles which erupt when artists address such controversial issues as racial polarization AIDS gay bashing and sexual inequality in their work EPA Journal ,1989

Hearing on the Juvenile Justice and Delinquency Prevention Act United States. Congress. House. Committee on Education and Labor. Subcommittee on Human Resources,1992 Testimony given at a hearing on the Juvenile Justice and Delinquency Prevention Act which is scheduled to expire in September 1992 is presented in this document An opening statement by Representative Matthew G Martinez Chairman of the Subcommittee on Human Resources of the Committee on Education and Labor discusses the vulnerability of youth Testimony and prepared statements or materials from these individuals are included 1 Chris Baca Youth Development Inc Albuquerque New Mexico 2 Jim Brown Community Research Associates Champaign Illinois 3 Betty A Downes Chair New Mexico Juvenile Justice Advisory Committee Santa Fe New Mexico 4 Alice King Former Chair New Mexico Juvenile Justice Advisory Committee Santa Fe New Mexico 5 Orlando Martinez Associate Director Family and Children Services Department of Institutions Denver Colorado 6 Vicki Neiberg National Coalition of State Juvenile Justice Advisory Groups Lansing Michigan 7 Dennis Noonan Our Town Tucson Arizona 8 Dan Prince Chief of Planning Division of Children and Families Department of Human Resources State of Nevada Carson City Nevada and 9 Robert E Shepherd Jr Chair Reauthorization Committee National Coalition of State Juvenile Justice Advisory Groups Richmond Virginia ABL **Quick Bibliography Series** ,1976 Kin of Place C. K. Stead,2013-11-01 This collection of 28 critical essays provides provocative comment on the work of 20 New Zealand writers including Elizabeth Knox Katherine Mansfield Kendrick Smithyman Allen Curnow and Janet Frame **Australian national bibliography** ,1961

Looking Back at LBJ Mitchell B. Lerner,2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it s now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation s most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ s beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ s foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to

conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure

After Neoliberalism John Quiggin, 2024-07-30 Since the early 1980s Australian economic policy has been dominated by the ideology of neoliberalism also known as economic rationalism including policies of privatisation financial deregulation and micro economic reform Throughout this period John Quiggin has presented critical assessments of neoliberal policies and the claims about productivity growth made in support of those policies The credibility of neoliberalism was fatally wounded by the Global Financial Crisis and its aftermath Nevertheless market ideology has lumbered on in zombie form for want of a clear alternative It is only recently that we have begun to reverse the failed policies of privatisation and deregulation and to consider radical alternatives such as a shift to a four day week This book provides a historical perspective in the form of a series of articles written from the mid 1980s to the present day It concludes with some suggestions for the way forward after neoliberalism John Quiggin is the intellectual equivalent of a dazzling fireworks display I walk away from every encounter with a bright new insight and this book is no exception Agree or disagree Professor Quiggin is a veritable trove of fresh insights Spanning nearly four decades this volume brings together some of Professor Quiggin's most provocative contributions driven by a deep commitment to equity It will pique your curiosity and encourage you to work towards a better world Andrew Leigh Parliamentarian and author of *The Shortest History of Economics*

On Jazz Alyn Shipton, 2022-05-05 A vivid and fascinating up close encounter with jazz brim full of anecdote and personal reminiscence by an internationally known broadcaster and writer

Health Care in Rural America Patricia La Caille John, 1991

Progressive Library Organizations Alfred Kagan, 2015-03-27 This work presents the history and impact of the seven most important progressive library organizations worldwide in Austria Germany South Africa Sweden United Kingdom and two in the United States Each organization is considered within its national context and in fact the English word organization does not quite fit the nature of all of the groups The South African organization LIWO was transitional in that it helped bring South African librarianship from apartheid to majority rule and then disbanded The other organizations or their successors are still working in one form or another Some of the organizations have had or continue to have vibrant local chapters though many of the original activists have recently retired or died The author has interviewed many of them at a time when they were assessing their life work and handing off to new generations

Monthly Catalog

of United States Government Publications ,1993 **Education in Retrospect** Andre Kraak,Michael F. D. Young,2001

The Institute of Education has been closely involved with post apartheid developments in education policy in South Africa The book examines the current policy dilemmas in South Africa It also provides a sophisticated exploration of the tensions that can occur between and among policy makers and policy researchers as a local vision is translated into reality in a global context At the same time the book provides clear evidence of the value as well as the difficulty of continuing dialogue between these groups which might usefully be heeded in those countries where such interaction too rarely takes place

New Approaches to Family Practice Nancy R. Vosler,1996-09-27 How do economic stresses on the family such as dual earner parents unemployment and poverty affect the human service professional s assessment of the families he or she serves The field of family sociology is now providing a wealth of empirical relevant knowledge on the impact of macroeconomic issues on the families most frequently helped by social workers New Approaches to Family Practice takes current research driven by the family systems theoretical framework and applies it to human services direct practice with families in three specific areas employed work and family work unemployment and poverty To illustrate the linkages from research to practice the book presents chapters on the theory and research in each of the three target areas each followed by a chapter on application and tools for direct practice in that area Individual chapters include case studies assessment tools multilevel interventions and evaluations and strategies for social change In addition to being a rich resource for the human services professional who works with families this book is ideal for courses in social work with the family social work and human services family studies and clinical counseling psychology

Violence, Victimization and Young People Ylva Odenbring,Thomas Johansson,2021-07-08 This edited collection focuses on different aspects of everyday violence harassment and threats in schools It presents a number of in depth studies of everyday life in schools and uses examples and case studies from different countries to fuel a discussion on national differences and similarities The book discusses a broad range of concepts findings and issues under the umbrella of three main themes 1 Power relations homosociality and violence 2 Sexualized violence and schooling and 3 Everyday racism segregation and schooling Specific topics include sexuality policing bullying sexting homophobia and online rape culture The school is young people s central workplace and therefore of great importance to students general feeling of wellbeing safety and security However there is no place where youth are at greater risk of being exposed to harassment and violations than at school and on their way to and from school Threats are a relatively common experience among school students but some aspects of these mundane and frequent harassments and violations are not taken seriously and are therefore not reported Harassment and violations often have negative effects on youth and children and increase their risks of such adverse outcomes as school dropout drug use and criminal behaviour Contemporary research has shown that gender is of great importance to how students handle and report or do not report various violent situations Studies have also revealed how the notions of masculinity and of being a victim can be conflicting identities and

affect how students handle situations of threat violence and harassment The importance of gender is also particularly evident with regard to sexual harassment Female students generally report greater exposure to sexual harassment than male students do

Looking Back 1990: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Looking Back 1990 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
