Looking Wayward:

See Through Deception Jermane J. Anyoha,2017-08-09 Led to believe that unlocking its power was their only hope of ending a seemingly endless interplanetary race war five girls with extraordinary powers accepted a mission to find the Zeal Orb After two years they have nearly reached their destination Suddenly however they are ambushed and twelve year old Jadeleve is separated from the group Due to a hard blow to her head Jadeleve cannot recall what happened to her or her comrades even what her enemy looked like After waking up alone in the middle of a jungle with no resources she is forced to use all her skills in order to claw her way back to civilization find her friends and uncover their attackers true motives With her physical abilities already tested to their limits Jadeleve must rely on her mental reserves not only to combat their elusive enemy but to overcome an internal struggle As she grows more doubtful that the Zeal Orb exists and starts to wonder if her efforts to end the war are futile Jadeleve has no choice but to consider the following implications that she was deceived and worse that she is powerless

The House on Seaview Road Alison Walsh,2016-09-01 The House on Seaview Road is a story about first love growing up and about the enduring bonds of sisterhood Perfect reading for fans of Joanna Trollope and Maggie O Farrell Marie Stephenson has decided that it s her last summer in Seaview just a few months left before she can break free of her suburban home go out into the world and make her mark If only it weren t for the promise she made to her dying mother This promise to look after her younger sister is one she has always kept even though Marie sometimes feels that the cosseted Grainne doesn t deserve it But then the sudden appearance of intense rebellious Con on Seaview Beach one afternoon changes everything As her innocence comes to a sudden and shocking end Marie must make some choices about her future But will she find the courage to become the woman she was meant to be

Lucky Seed Justinian Huang,2025-11-11 Succession meets Crazy Rich Asians in this chaotic darkly funny romp about the lengths a wealthy family will take to ensure the birth of a male heir from the gay black sheep of their clan An intergenerational family saga inspired by the author s own fatherhood journey as his real life family s mandatory suggestion The billionaire Sun Clan of Greater Los Angeles is your typical American family with power struggling aunties emasculated uncles scheming cousins scandalous secrets and a fortune teller on retainer But at the end of each combative day the Suns are chained together with golden handcuffs whether they like it or not Yet strange storms are a brewing Their matriarch Roses Sun is grappling with an existential crisis she must produce a male heir that bears the clan s surname She fears that if her generation is the one in which their esteemed lineage ends they will be punished as hungry ghosts in the afterlife an ancient but very real Asian superstition Faced with this terrifying fate Roses summons her favorite nephew Wayward Believing him to possess the lucky seed Roses presents Wayward with a mandatory suggestion to father a baby boy who will inherit everything When the other members of the Sun Clan catch wind of Roses s plot all hells break loose Wayward s family will now clash like never before in

an epic war over the future of the Suns if there is a future at all Yet through the chaos Wayward sees opportunity What if he can leverage all the conflict into a solution for his problematic family What if he can reunite the Sun Clan by healing them And what if the tumultuous Suns can finally learn how to love each other for the first time **Sword of the Highlands** Veronica Wolff,2008-05-27 In the second novel in national bestselling author Veronica Wolff s Highlands series a woman goes back in time and finds the man of her dreams One minute she s New York heiress and art curator Magda Deacon enraptured by the striking Highlander captured in an old portrait The next she s falling through time to 17th century Scotland and embarking on the most erotic journey of her life Infamous playboy James Graham First Marquis of Montrose doesn t know what to make of the strange woman who s tumbled literally into his life and his bed Her accent may be foreign but Magda plays golf and rides like a red blooded Scotsman not that James could ever mistake her succulent lips and curves for anything but deliciously female But war rages in the Highlands the land for which James and his men will lay down their lives And when Magda faces a terrifying enemy and a daunting choice only the legendary Sword of the Highlands will be able to set things right **Grimoire** T A Newman,2015 My name is Jon Wayward and I was one of the most unremarkable guys you probably never met But then I was hired to find a mysterious pack of tarot cards and that changed my life forever Now I have inherited my grandfather s occult collectors shop his friends customers and ancestor s Book of Shadows called the Wayward Grimoire making me the newest member of the world s secret magical community hidden in plain sight People now tell me I am remarkable even famous as the heir to the Wayward Grimoire But the only thing I seem to be remarkable at is running from reptilian hit men running to a man that looks like mole and holding onto a rare and extremely important pack of tarot cards that have the power to control whom ever you want them to whenever you want them to They say you have to play the cards you re dealt I say it s not the cards you have it s how you play them But what do I know *Margaret's ordeal; or Life-problems, tr. from the Germ. of E. Affectionately...In Jesus and Mary Edward Makuta,2011-03-31 This collection of short stories examines the lives of five very different men as they study for the priesthood and experience seminary life

Affectionately in Jesus and Mary presents a collection of related short stories about the lives of five very different men Each man is studying for the priesthood but they approach their seminary studies very differently The stories chronicle the day to day sacred secular holy sinful heroic and petty thoughts words and deeds of the five men as they journey through each of the stages of training and formation that culminate in ordination into the priesthood Vinnie Lauter tries to account for his need to always be the center of attention even in the seminary Eddie Moszka wonders if being a virgin is a blessing or a curse while JV Delancey constantly struggles with religious obedience and with the demands of community living in the seminary Jay Kenny increasingly feels that Thomism the official philosophy and theology of the Catholic Church has strapped him in an emotional and intellectual straightjacket The saintly and scholarly Sean Saint Jean although he has personally reconciled Christianity and evolution struggles with the ban on teaching and publishing on the topic These stories delve into a private world that is normally hidden from view exploring the lives of men whether admirable or blameworthy who inhabit this world

Public Health Behind Bars Robert Greifinger,2007-10-04 Projecting correctional facility based health care into the community arena

Public Health Behind Bars From Prisons to Communities examines the burden of illness in the growing prison population and analyzes the considerable impact on public health as prisoners are released More than forty practitioners researchers and scholars in correctional health mental health law and public policy make a timely case for correctional health care that is humane for those incarcerated and beneficial to the communities they reenter These authors offer affirmative recommendations toward that evolutionary step Chapter authors identify the most compelling health problems behind bars including communicable disease mental illness addiction and suicide pinpoint systemic barriers to care and explain how correctional medicine can shift from emergency or crisis care to primary care and prevention In addition strategies are outlined that link community health resources to correctional facilities so that prisoners can transition to the community without unnecessarily taxing public resources or falling through the cracks Between the authors research findings and practical suggestions readers will find realistic answers to these and similar questions Can transmission of HIV tuberculosis and other communicable diseases be reduced and prevented among prisoners How can correctional facilities treat addiction more effectively What can be done

to improve diagnosis and treatment of psychiatric disorders Can correctional care benefit from quality management and performance measurement How can care be coordinated between correctional and community health care providers What are the health risks to communities if action is not taken Public Health Behind Bars From Prisons to Communities is a challenge of immediate interest to readers in correctional health and medicine public and community health health care administration and policy and civil rights *Proceedings of the ...
