Pro Tools for Musicians and Songwriters Gina Fant-Saez, 2006-03-09 You've got the power You don't have to spend
thousands of dollars on recording studio time anymore Now using Pro Tools a digital audio workstation you can record demos
at home on your own computer edit tracks add effects and even output songs to a CD But if you're new to working with
sound digitally you face a daunting learning curve Getting your music gear to work with your desktop computer or laptop and
producing results that you like involves some unfamiliar tools and concepts At last here's a Pro Tools book written by a
musician for other musicians Author Gina Fant Saez knows first hand how frustrating it can be when you first make the move
to using this complex studio quality audio application Rather than overwhelm you with every detail of the program and
complicated terminology or functions you'll never use Pro Tools for Musicians and Songwriters teaches only the essentials
you need to record enhance and output your music With downloadable audio files from www.protoolsformusicians.com to
help you get started Pro Tools for Musicians and Songwriters will show you how to Use a metronome click track or
percussion loop to help you keep time when you record Record and combine multiple takes to create one seamless
composition Edit your tracks with crossfades panning doubling automation more Add and manipulate plug in effects such as
reverb Share your Pro Tools files with other musicians around the globe Output your finished composition to a CD *Official*
