Brodie, 1993-07-29 This commentary expands Henrietta Wilson, 1870 Johannine studies in two directions First drawing on the methods of literary criticism it gives new force to a view which is both ancient and modern that John's gospel far from being a poorly edited mixture of sometimes conflicting traditions is in fact a coherent unity an account of Jesus which however diverse its sources is a finely chiselled work of art Second it indicates that the unity of John's gospel is founded ultimately not on history or theology but on spirituality This too corresponds to a view which is both very old John was always known as the spiritual gospel and very recent The present study spells out that idea in new detail It indicates that the account of Jesus is so written that the tensions and complexities of the text reflect the tensions and complexities of human life providing the reader not only with an account of Jesus but also with an anthropology a map of the development of the human spirit Daily Devotions of Ordinary People - Extraordinary God Jody Neufeld, 2004-11-11 Would you like a devotional that speaks from experience from the heart and goes directly to the point Jody Neufeld shares from her heart ordinary moments with an Extraordinary God Upon her retirement from nursing and into ministry with her husband Henry a Bible teacher Jody felt the Lord urging her to share a daily devotion with people
