Love And Sexuality An Exploration Of Venus And Mars:

Love and Sexuality Babs Kirby, Janey Stubbs, 1992 By focusing specifically on these two planets this book offers a unique appraisal into relationship patterns A must for any astrology library **Love & Sexuality - An Exploration of Mars and Venus**

Babs Kirby, Janey Stubbs, 2023-06-12 Would you like to understand your love life better Do you fall in love with seemingly impossible people Can you make the transition from being in love to a long term fulfilling relationship Then this is the book for you The planets Venus and Mars represent the principles of love and sexual attraction Together they describe what we look for and need in our relationships and the kind of people we attract The more we can understand ourselves and others the more likely we are to form rewarding and satisfying relationships This was the first book to focus specifically on Venus and Mars and broke new ground when it was first published It continues to offer in depth psychological insight into relationship patterns The astrological framework covers all possible human behaviour and shows how various scenarios unfold throughout the life and how these experiences enable us to grow and develop Babs Kirby and Janey Stubbs are co authors of *Interpreting Solar and Lunar Returns a Psychological Approach* *The Complete Idiot's Guide to Sextrology* Megan Skinner, 2008 We all know how amazingly accurate astrology can be about reading personalities and predicting action based on the position of the stars in relation to our own signs But what about the most intimate and elusive aspect of our lives our sexual selves How can we be sure our partner will be compatible with our energy and needs Can the stars help us really know In *The Complete Idiot's Guide to Sextrology* Megan Skinner astrologist extraordinaire tells us how to use the stars to find the perfect sexual mate She profiles the sexual traits of each of the 12 signs then shows us every combination of them and what to expect in bed Funny insightful and practical this helpful handbook will ensure success to anyone looking for the perfect partner **Shakespeare's Classical Mythology: A Dictionary** Janice Valls-Russell, Katherine

Heavey, 2024-10-17 Why does Bassanio compare himself to Jason What is Hecuba to Hamlet Is the mechanicals staging of the Pyramus and Thisbe story funny or sad This dictionary elucidates Shakespeare's use of mythological references in an early modern context while bringing them to life for today's audiences and readers at a time of renewed critical interest in the reception of the classics and fascination with classical mythology in popular culture It is also a precious tool for practitioners who may not always know quite what to make of mythological references Mythological figures creatures places and stories crowd Shakespeare's plays and poems featuring as allusions poetic analogies inset shows scene settings and characters or plots in their own right Most of these references were familiar to Shakespeare's spectators and readers who knew them from the writings of Ovid Virgil and other classical authors or indirectly through translations commentaries ballads and iconography This dictionary illustrates how far from being isolated a mythological reference may resonate with the poetics of the text and its structure cast light on characters and contexts and may therefore be worth exploring onstage in a variety of ways The 200 headings correspond to words and names actually used by Shakespeare individual figures Dido Venus Hercules
