Will she manage to give her best friend what he's always wanted too **Losing Your Best Friend** Frosty Wooldridge, 2010

Praise for the book *Losing Your Best Friend* covers one of the most ignored emotional issues in America today. Our high speed society causes 20 million households to change addresses annually. No one knows the emotional damage caused by friends losing touch with each other. This book not only addresses different aspects of losing your buddy but it gives ideas on how to heal yourself when you lose a dear friend. Glen Hamilton: I don't usually cry but I cried at some of the histories of the people in this book because their stories are my story. I lost my dad at an early age. My best friend in high school dropped out of my life. This book answered several of my life long emotional aches. Frank Archer: This is one heck of a powerful book. It's a must read for anyone that has lost a friend or parent. It will give you answers that you may not have thought about. It will touch your heart and you will learn from their experiences. It also shows you what you can do if you suffer conflict with your friend's wife or girlfriend. Jonathan Runy: I couldn't put this book down. It spoke to me and a lifetime of my thinking that I had lost several of my friends because it was my fault. Finally somebody wrote about the pain of losing a friend as well as the deeper meanings of friendships. Howard Jones: Relationships are the cornerstones of our lives. Losing a friend or family member is one of the biggest traumas we face in life. This collage of stories about losing a friend provides you with tools to deal with your own heartbreak. Whatever your age or situation you will find this book profoundly interesting as well as touching. Read it to help you with your own friendship issues. Al Wilson *Falling for my Brother's Best Friend* Piper Rayne, 2019-02-20

Let's say you're an independent self sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now more than ever you need to count all the reasons why you need to abandon falling. Abandon Falling 1 He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling 2 He's never serious. He cracks one liners mostly at your expense. Abandon Falling 3 When things go wrong he seems unfazed and always remains in control. It's so annoying. Abandon Falling 4 He has tattoos. Lots of them. Everywhere. Not to mention he owns a tattoo parlor. Damn it. Why doesn't that sound like a bad thing anymore. Abandon Falling 5 There's a growing list of how different you two are. You can't get along for fifteen minutes a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt and do not I repeat do not agree to live with the man while your place is being repaired from flood damage. Trust me even the strongest of us can only forego temptation for so long.

Westfield thought he was on the flip side of a crazy media storm after his sensationalized divorce from pop superstar Dianna Skye. Then she gives an emasculating interview that goes viral and his ego makes him do something stupid enough to throw him right back into the eye of the abhorrent tornado. Actress Peyton Riley returns home to weather the scandal threatening to torch her career. But less than three hours back in town, Hollywood's fallen sweetheart finds herself caught up in the arms of a man who's as infamous as she and the paparazzi are right there to fan the flames. Some crafty maneuvering by matchmaker Santa Butch throws the two together at Clay's mother's secluded ranch and sparks fly as new rumors are ignited. If their relationship is to have any hope of survival, they'll have to sort truth from lies as they withstand the scorching heat from a ruthless media spotlight.

SUMMER BRIDE He has one month to make his bride fall in love with him before he deploys. Kyra Sullivan has been left one too many times. If her father can walk out on his wife and children twice, what's to keep a man by her side? She doesn't believe anyone will stay long enough to give her a happily ever after until one night with Staff Sergeant Dane Owens opens her heart to dream. But Dane has secrets. Obligations. Orders. Staying isn't an option and even worse, he has a feeling he's not coming back alive this time. An honorable man would leave Kyra alone, but the moment he sees her again walking away proves impossible. Can he convince her not being able to stay is different than leaving, or is he damned to repeat the past by once again ruining the life of someone he loves?

SUMMER SECRETS Two years ago she left a baby on her brother's front porch in Wisconsin. No one knew why or where she went until now. Leaving her baby with a brother no one knew about is the only way Raelyn Scott could protect little Ella, her brother, and herself. But if he tells Rae the truth about why he was in the diner that day, she'll disappear from his life forever.
