Handbook of the Clinical Treatment of Infidelity Katherine Milewski Hertlein, Fred P Piercy, Joseph L. Wetchler, 2013-03-07 Help your clients relationships survive infidelity In the *Handbook of the Clinical Treatment of Infidelity* a panel of seasoned experts reflects on issues central to affairs and on how to help couples heal and learn from them First editors Fred P Piercy Katherine M Hertlein and Joseph L Wetchler provide an essential overview of infidelity theory research and treatment They discuss the effect of infidelity on couples and delineate three types of infidelity emotional physical and infidelity including aspects of both They review the relatively new role of the Internet in infidelity and explore infidelity within the context of comarital relationships Finally they discuss the overarching theories and common models used in infidelity treatment Also in the *Handbook of the Clinical Treatment of Infidelity* Susan M Johnson the co developer of Emotionally Focused Therapy EFT discusses affairs through the lens of attachment theory and shows how EFT provides a way to acknowledge and express pain remorse and regret and to repair this attachment bond David Moultrup takes a Bowenian approach to infidelity focusing attention on the underlying dynamics of the emotional system Frank Pittman and Tina Pittman Wagers outline cultural myths about affairs and do their share of debunking Adrian Blow discusses how to help couples directly address their pain and the challenges of the healing process Brian Case highlights the role of apology and forgiveness in the healing process Frank Stalfa and Catherine Hastings focus on the treatment of accusatory suffering a spouse's obsessive holding onto and retaliating for an affair long after it has ended

and despite the offending partner's repeated apologies and attempts at restitution Don David Lusterman discusses individuals who have suppressed or denied traumatic stress reactions to their partner's affair and how to help them Scott Johnson discusses myths about affairs from who is cheating on whom to whether men really have more affairs than women to the blame filled language of affairs betrayal and infidelity asking us to think more systematically about affairs and to see the dynamics of extra dyadic relationships as more complex and nuanced than they are typically portrayed in the literature Joan Atwood provides an overview of Internet infidelity the factors influencing one's involvement in this type of infidelity and some considerations for therapists Tim Nelson Fred Piercy and Doug Sprenkle report on the results of a multi phase Delphi study that explored what infidelity experts say are the critical issues interventions and gender differences in the treatment of Internet infidelity Monica Whitty and Adrian Carr draw upon Klein's object relations theory and discuss how this might influence the way people rationalize their Internet infidelity Emily Brown outlines the concept of the Split Self

Affair discussing its origins characteristics and implications for individuals and couples and providing detailed information on how to work with these couples in therapy Michael Bettinger presents extra dyadic relationship as a fact rather than a problem within many gay male relationships a discussion that shows how gay male polyamory can work as an alternative to the heterosexual model of emotional and sexual exclusivity in romantic dyadic relationships Katherine Hertlein and Gary Skaggs report on the results of a study that assessed the level of differentiation and one's engagement in extra dyadic relationships The Handbook of the Clinical Treatment of Infidelity is essential reading for today's and tomorrow's clinicians who work with couples Make it a p [Creating Connection](#) Judith V. Jordan, Jon Carlson, 2014-05-01 Relational Cultural Therapy RCT is developed to accurately address the relational experiences of persons in devalued cultural groups As a model it is ideal for work with couples it encourages active participation in relationships fosters the well being of everyone involved and acknowledges that we grow through and toward relationships throughout the lifespan Part and parcel with relationships is the knowledge that whether intentionally or not we fail each other misunderstand each other and hurt each other causing an oftentimes enduring disconnect This book helps readers understand the pain of disconnect and to use RCT to heal relationships in a variety of settings including with heterosexual couples lesbian and gay couples and mixed race couples Readers will note a blending of approaches person centered narrative systems and feminist theory all used to change the cultural conditions that can contribute to problems unequal sometimes abusive power arrangements marginalization of groups and rigid gender race and sexuality expectations Readers will learn to help minimize economic and power disparities and encourage the growth of mutual empathy while looking at a variety of relational challenges such as parenting stepfamilies sexuality and illness Polarities of you vs me will be replaced with the healing concept of us *Parenthood in America* Jack C. Westman, 2001 In this outgrowth of a conference called Parenthood in America held at in April 1998 Westman emeritus psychiatry U of Wisconsin Medical School identifies the parent child relationship as the fundamental

institution in our society one that fosters a lifelong ability to form and sustain intimate relationships and be a thoughtful moral person He argues for a shift in thinking toward the use of quality of life rather than material achievement as the central measure of success The work s 23 articles bring insights from research to bear on the practical aspects of childrearing and on policies that influence the context in which parenting occurs in the home and in the community
