Enterludes G. Nadine,2010-07-08 We should talk about love We should talk about lust We should talk about sex We should talk the aftermath We should talk about the spirit We can talk We must talk Let s converse Nadine G Enterludes is a collection of poetry that depicts a common human experience The reader takes a journey through love misdirection and finding self while exploring the entities one allows to enter one s life Chapter one Love explores the pitter patter we get in our hearts as children it explores the fantasies of love and begins to illustrate how these ideals often contradict the realities of love This section of the book discusses the feelings that love evokes which are often pleasant in nature However it also explores the concept of defining love and identifying whether or not one truly knows real love The ideals of love become more convoluted when lust enters the picture Chapter two Lust illustrates the temptation to move from that which is heart felt to that which is physically felt Lust is often described as a deadly sin Yet it is very alluring and promotes immediate gratification without any thought of consequence Lust is a powerful thought that often leads to actions Chapter three Sex acknowledges the feelings and emotions evoked when temptation wins and actions are taken It discusses a thirst quenched and the pleasures that arise from physical connection It also alludes to the dangers of acting with only the thought of immediate satisfaction without thought of long lasting consequence Chapter four The Aftermath becomes the voice of reason as one has to face the plethora of consequences that surround each decision IT explores the law of nature every action has a reaction Taking action of lust can cause consequences that can taint the beauty of love The dilemma then arises how does one know whether their actions are based on love or based on lust Chapter Five Spirit allows for the true definition of love to be explored by utilizing the lessons learned throughout the journey A higher level of consciousness is explored as both positive and negative repercussions are deconstructed Love begins to be redefined and no longer partialized Spirit teaches a simple lesson what one allows to enter into the home will dictate how one lives It sparks the questions What is important to you What will you continue to allow into your life Is it a spirit of love Is it a spirit of lust Is it a spirit of sex Is it a spirit of self Is it a spirit of God What are your Enterludes The author Nadine G states penetration is lasting and deep touching every corner of your soul The truth the physical affects the body mind and spirit She encourages the reader to converse embrace your own Enterludes as life lessons and be mindful of all that enters your life The purpose of the book is to spark dialogue about love lust sex the aftermath and the spirit In her words let s converse

The Lotus Butterfly L. Sukari,2018-03-28 One cannot fail to see this exquisite flower and its inspired wisdom and beauty She blooms into self

reverence and victory of the spirit embodying strength from the earth's sun-kissed sky while emerging from a dirty pond of muddy waters full of life's painful lessons and persecution. She is the womb of the world, a symbol of love, hope, peace, and purity. Never fully sprouting her petals, her center is protected by her half-opened wings, not exposing her to vulnerability for observation until the day the enchanting, bodacious butterfly interrupts her blossom and eloquently flutters his way into her core, settling comfortably on her petals for a while. Her delicacy is exposed as he tastes her fragile innocence, and she begins to learn the lessons behind the beauty, charm, and deception of the butterfly. She becomes infused in a spiritual awakening, the enlightening, the rebirth, and the resurrection, discovering for herself her succulent core.

Lovers Bible Dr. Dreaming Bear Baraka Kanaan, 2017-08-18. *Lovers Bible* is an ode to being a lover as a way of life, seeking the beloved in everything and having the audacity to make out with existence every chance you get, so as to give the multiverse cosmic goose bumps. Part guide to being a lover and part poetic prophecy, this volume is potency incarnate. Infused with the mana of the Hawaiian Islands, these passages reflect the spiritual connection to the *aina*, life force of this new Eden oasis. Inspired by and written amongst Hawaiian fairy forests and enchanted tropical dreams, *Lovers Bible* merges in the center with half being day and half being night, a metaphor for the lover and beloved playing the eternal game of hide and seek, kiss tag. Sacred and profane eroticism decorate the pages and tenderly offered inamorato philosophy flowers in the fodder of this seductive verse. It's not for the faint of heart, and sacred sensual scriptures emerge from this incantation of passion and playfulness, beckoning the initiate to awaken to the power inherent within, declaring: For God so loved the world that she formed Creation with a kiss. Beyond religions, belief systems, or concepts of any kind, there is the deepest truth of being human, which is tenderness with an edge. *Lovers Bible* is a manuscript for those who find more holiness in a single sweet embrace than in all the shrines and semantics of the world. The lovers' path, the beauty way, is embedded in nature. Hidden in every leaf, rock, river, and creature is a kiss from Creation, saying: Come play.
