Love Locked Out:

Love Locked Out Anna Lea Merritt,1981 **Love Locked Out** Shayla M. Alarie,2010 **Percinette** Herbert Hugh Caxton,1920 December Love Robert Hichens,1922 **The Cambridge Companion to Ovid** Philip R. Hardie,2002-05-02 Ovid was one of the greatest writers of classical antiquity and arguably the single most influential ancient poet for post classical literature and culture In this Cambridge Companion chapters by leading authorities from Europe and North America discuss the backgrounds and contexts for Ovid the individual works and his influence on later literature and art Coverage of essential information is combined with exciting critical approaches This Companion is designed both as an accessible handbook for the general reader who wishes to learn about Ovid and as a series of stimulating essays for students of Latin poetry and of the classical tradition *The Victorian Nude* Alison Smith,1996 Smith reveals how images of the nude were used at all levels of Victorian culture from prestigious high art paintings through to photographs and popular entertainments and discusses the many views as to whether these were legitimate forms of representation or in fact pornography and an incitement to unregulated sexual activity Lawson: Chapman Square/Chapter II (PVG) Wise Publications,2014-01-31 Lawson Chapman Square Chapter II PVG features 18 songs from Lawson s deluxe album beautifully arranged for Piano and Voice with Guitar chord boxes and full lyrics Chapman Square Chapter II is the re release of Lawson s d but album Chapman Square featuring the lead single Brokenhearted featuring B o B This book also includes a signed note from the band *A Gallery of Her Own* Elree I. Harris,Shirley R. Scott,2013-11-26 First Published in 1997 This book is intended as a resource for anyone interested in the artistic contributions and activities of women in nineteenth century Britain It is an index as well as an annotated bibliography and provides sources for information about women well known in their own time and about women who were little known then and are forgotten now **Sinatra** James Kaplan,2016-10-25 One of the Best Books of the Year The Washington Post Los Angeles Times Milwaukee Journal Sentinel The story of Frank Sinatra s second act Sinatra finds the Chairman on top of the world riding high after an Oscar victory and firmly reestablished as the top recording artist of his day Following Sinatra from the mid 1950s to his death in 1998 Kaplan uncovers the man behind the myth revealing by turns the peerless singer the sometimes powerful actor the business mogul the tireless lover and of course the close associate of the powerful and infamous It was in these decades that the enduring legacy of Frank Sinatra was forged and Kaplan vividly captures Ol Blue Eyes in his later years The sequel to the New York Times best selling Frank here is the concluding volume of the definitive biography of The Entertainer of the Century *Women, Art and Money in Late Victorian and Edwardian England* Maria Quirk,2019-05-16 Women Art and Money in England establishes the importance of women artists commercial dealings to their professional identities and reputations in the late nineteenth and early twentieth centuries Grounded in economic social and art history the book draws on and synthesises data from a broad range of documentary and archival sources to present a comprehensive history of women

artists professional status and business relationships within the complex and changing art market of late Victorian England. By providing new insights into the routines and incomes of women artists and the spaces where they created, exhibited and sold their art, this book challenges established ideas about what women had to do to be considered professional artists. More important than a Royal Academy education or membership to exhibiting societies was a woman's ability to sell her work. This meant that women had strong incentive to paint in saleable popular and middlebrow genres which reinforced prejudices towards women's naturally inferior artistic ability, prejudices that continued far into the twentieth century. From shining a light on the difficult to trace pecuniary arrangements of little researched artists like Ethel Mortlock to offering new and direct comparisons between the incomes earned by male and female artists and the genres, commissions and exhibitions that earned women the most money, *Women Art and Money* is a timely contribution to the history of women's working lives that is relevant to a number of scholarly disciplines.
