Love Me With Stubborn Love:

Love Me with Stubborn Love Anne Ortlund, 2000-04-17 Here is a how to disciple book that shows clearly and practically how Christians can forge meaningful relations with other members of God's family It is also a heartfelt why to book a powerful call for a spirit of unity and love within the body of Christ Drawing on years of experience in churches and small groups Anne Ortlund offers valuable specifics on Forming small spiritual family groups that rejoice suffer pray encourage confess forgive and communicate with one another combining the ingredients of small group gatherings worship Bible study sharing prayer and accountability Solving problems in the home by applying principles used in learning to function as a spiritual family Understanding the discipling process You must be continually learning from someone who knows more than you do and then you must be continually passing on what you know to someone who knows less Practicing the new commandment John 13:34-35 that translates into authentic biblical tough love for one another Only a most blasphemous reader could get through this book without becoming genuinely excited The author's enthusiasm for the church is expressed so cleverly so persuasively that it is bound to be contagious Includes sample small group curricula for discipling men and women

Stubborn Love Janet Whitson, 2022-02-19 One ex black ops Marine One stubborn single mom And a stalker planning to teach her a lesson After ending his stint with the Marine corps Jim Donovan dialed back his alpha attitude and befriended military widow Sally Johnston That was three years ago Now the new partner in Jim's veterinary clinic is hitting on Sally and there's an unknown stalker on her tail Following his own code of honor Jim must protect the woman he loves but won't allow himself to chase her She's going to have to come to him Sally doesn't want protection or to fall in love She'll consider a fling with Jim's new colleague but Jim himself is off the menu Keeping his friendship is more important And the anonymous messages Sally won't play that game She'll do what has worked for her in the past ignore them until they stop She and her son have made it fine so far That isn't going to change now But from the woods behind her home cold eyes watch Sally's every move and an unhinged mind plans vengeance for imagined sins I previously published a steamy version of this story using my former pen name Susan Craig I have rewritten it as a closed door romantic suspense I like it better this way and hope you will too

New York Craige here describes through close analysis of the structure style and themes of individual works in Poet in New York the chaos into which this world plunges the poet and the process whereby he is able gradually to recover his identity with the regenerative forces of nature Her study demonstrates that though seemingly unique in form and motifs Poet in New York is integral with Lorca s overall poetic achievement *Longing and Letting Go* Holly Hillgardner,2016-11-01 Mirabai a sixteenth century Indian princess wrote passionate love songs to Lord Krishna Hadewijch a thirteenth century European Beguine wrote of her yearning to become Love itself to be God with God Each woman practiced a full bodied sensuously imaged longing for love at the same time each also practiced certain ascetic disciplines Spanning centuries continents and religious traditions this book juxtaposes Hadewijch s and Mirabai s inextricable energies of longing and letting go as resources for a comparative theology of passionate non attachment Within both Hinduism and Christianity desire and renunciation are often presented as opposites yet both Mirabai and Hadewijch in their own distinct ways illuminate the integral tensile relationship between these concepts Rather than choosing one or the other each woman s dual practices of longing and letting go not only take her on an inward spiritual journey but also deeply involve her in the beauty and suffering of the wider world Drawing out crucial differences and intriguing resonances between these two women of faith Hillgardner develops a Hindu Christian comparative theology that argues for an interreligious ethic of passionate non attachment one capacious and brave enough to hold together our own longings with the desires of others in an interconnected fragile world
