Ocean of Love, or Sea of Troubles? Geoffrey Harris,2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives *Love or Die: Finding Oneness in a Me-First World* Sandy Meadows,Stan Wenck,2018-11-20 Love or Die delivers a critical look at two false beliefs that contribute to so much of the suffering and violence in the world today the beliefs that 1 we are separate and 2 we are incomplete Once the reader understands that every action he takes affects the Whole since we are all connected as part of that Whole he will realize that extinction awaits us if we continue to be self indulgent at the expense of others or the
