Love Scene:

This Is Not a Love Scene S. C. Megale, 2019-05-07 This Is Not A Love Scene rings brilliantly true from the first page to the last David Baldacci 1 New York Times bestselling author Funny emotional and refreshingly honest S C Megale s This is Not a Love Scene is for anyone who can relate to feeling different while navigating the terrifying and thrilling waters of first love Lights camera all Maeve needs is action But at eighteen a rare form of muscular dystrophy usually stands in the way of romance She s got her friends her humor and a passion for filmmaking to keep her focus off consistent rejection and the hot older guy starring in her senior film project Tall bearded and always swaying Cole Stone is everything Maeve can t be And she likes it Between takes their chemistry is shockingly electric Suddenly Maeve gets a taste of typical teenage dating life but girls in wheelchairs don t get the hot guy right Cole s attention challenges everything she once believed about her self image and hopes for love But figuring this out both emotionally and physically won t be easy for either of them Maeve must choose between what she needs and what she wants while Cole has a tendency to avoid decisions altogether And the future might not wait for either

The Elder Edda and Ancient Scandinavian Drama Bertha S. Phillpotts, 2011-06-30 Originally published in 1920 this book provides a theory of the dramatic origin of the older Eddic poems Whilst the Eddic collection in general can be seen to contain a variety of unrelated elements there is an essential unity to the older poems on native subjects This can be seen in their special metre their dialogic or monologic form bearing traces of improvisation by one or more speakers their stage directions their stock scenes their taste for disguised or theriomorphic characters and their fixed traditional plots In analysing this unity the text brings forth observations on the relationship between the poems and the socio cultural context in which they were written This is a highly informative volume that will be of value to anyone with an interest in Old Norse literature and literary criticism

The Tragic and the Ecstatic Chafe, 2008-08-12 During the years preceding the composition of Tristan and Isolde Wagner s aesthetics underwent a momentous turnaround principally as a result of his discovery of Schopenhauer Many of Schopenhauer s ideas especially those regarding music s metaphysical significance resonated with patterns of thought that had long been central to Wagner s aesthetics and Wagner described the entry of Schopenhauer into his life as a gift from heaven Chafe argues that Wagner s Tristan and Isolde is a musical and dramatic exposition of metaphysical ideas inspired by Schopenhauer The first part of the book covers the philosophical and literary underpinnings of the story exploring Schopenhauer s metaphysics and Gottfried van Strassburg s Tristan poem Chafe then turns to the events in the opera providing tonal and harmonic analyses that reinforce his interpretation of the drama Chafe acts as an expert guide interpreting and illustrating most important moments for his reader Ultimately Chafe creates a critical account of Tristan in which the drama is shown to develop through the music
