

Love Between Men

John H. Driggs, Stephen Edward Finn

Love Between Men:

Love Between Men Rik Isensee, 1990 Booklist called this a welcome addition to practical gay literature David McWhirter and Andrew Mattison authors of *The Male Couple* say it's must reading for all male couples while Michael Shernoff of the National Lesbian Gay Health Foundation says it's bound to become a classic This widely acclaimed relationship guide for gay men is now available in paperback **Love between Men in English Literature** Paul Hammond, 1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture of their periods There is an extensive bibliography **Intimacy Between Men** John H. Driggs, Stephen Edward Finn, 1990 PSYCHOLOGY POP PSYCHOLOGY **Figuring Sex Between Men from Shakespeare to Rochester** Paul Hammond, 2002 Includes discussion of the Sonnets Twelfth night and The merchant of Venice **Between Men** Eve Kosofsky Sedgwick, 1992 At the time of its first appearance in 1985 *Between Men* was viewed as an important intervention into Feminist as well as Gay and Lesbian studies It was an important book because it argued that sexuality and desire were not a historical phenomenon but carefully managed social constructs This insight that actually originated with Michael Foucault is often viewed as anti humanist or post humanist because it argues that men and women are simply the products of patriarchal power relations over which they have no control By mobilizing Foucault's theories of the history of sexuality Sedgwick re fashions Feminism and Gay and Lesbian Studies to make it seem as though Feminism and Gay and Lesbian studies are ideally situated to continue those interventions into the history of sexuality begun by Foucault **Comparative Physiognomy or resemblances between Men and Animals** Jam. W. Redfield, 1852 **The Renaissance in Europe** Keith Whitlock, 2000-01-01 The Reader addresses the themes of humanism structures of authority and levels of culture among different social orders and between men and women And it examines what Burckhardt's discovery of the individual really meant for the construction of self in the late medieval and early modern context BOOK JACKET **Women in Plato's Political Theory** Morag Buchan, 1999 Publisher description This book examines the role of the female and the feminine in Plato's philosophy and suggests that Plato's views on women are central to his political philosophy Morag Buchan explores Plato's writings to argue his notions of the inferior female and the superior male While Plato appears to allow women equal opportunity and participation of political life in the Ideal State in *The Republic* his motivation rests on masculine ideals *Women in Plato's Political Theory* examines issues including women's relationship to men to reproduction to rational thought and politics in Plato's work and addresses more generally the problem of sexual identity in philosophy This book is an important contribution toward a wider interpretation of Platonic philosophy **Imagining Karma** Gananath Obeyesekere, 2002-11-11 With *Imagining Karma*

Gananath Obeyesekere embarks on the comparison of rebirth concepts across a wide range of cultures The book makes a case for disciplined comparison a humane view of human nature and a theoretical understanding of family resemblances and differences across great cultural divides Men, Homosexuality, and the Gods Ronald Long,2013-02-01 Compare worldwide religious regulations involving gay sex and masculinity Men Homosexuality and the Gods An Exploration into the Religious Significance of Male Homosexuality in World Perspective is an eye opening look at the traditions of particular religions and their edicts concerning gay sex This book examines the origins of holy directives involving homosexualitywhether forbidden tolerated or mandatoryand establishes a link between theology sex roles and the sensitive issue of masculinity This text draws a parallel between homosexuality and the idea of religion suggesting that gay rights can be understood as a freedom of religion issue While most readers are familiar with the traditional Islamic Christian and Hebrew prohibitions against sex between two males this book also reveals other historic religions from around the world that neither opposed nor looked down on homosexuality Men Homosexuality and the Gods argues that masculinity is the universal theme that formed historical interpretationwarriors and men of high status could not be sexually receptive or feminine and still be called men This intriguing text shows how the modern homophile movements are in effect redefining masculinity to obliterate the stigma of being a sexually receptive man Men Homosexuality and the Gods examines the significance of homosexuality in such religions as the Sambians of New Guinea the Taoists of Ancient China Plato and the later Stoics Islamic Sufism Native American culture Hebrew Scriptures early Christianity Buddhism Men Homosexuality and the Gods is an enlightening book that honors homosexual claims to moral integrity and appreciates religion and religious figures without rancor Easy to read and free of technical language this volume is for anyone who has an academic professional or personal interest in theology and homosexuality The author is available for speaking engagements and can be contacted at Ronldlong aol com
