Bechdel and Maggie Nelson Hawkins pushes exploration of the self with the same intellectual rigor that she critiques the limits of epistolarity by continually relocating all the generative and arresting creative powers of this found art with scholarly rhetorical strategies Exquisitely designed by Jessica Jacobs These are Love d Letters presents an affective experience that reinforces Hawkins s meditations on the ephemeral beauty of love letters As poetic as it is visually enticing the book offers both an unconventional and queer ed understanding of the documentarian form which will excite both readers and artists across and beyond genres
