## **Loved By Choice True Stories That Celebrate Adoption:**

Loved By Choice Susan Horner, Kelly Fordyce Martindale, 2002-03-01 *Loved by Choice* offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption: Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of *Loved by Choice* though is to demonstrate how adoption can complete a family. It is a poignant celebration of adoption led by those who understand it best. This book's pro-life positive and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, pro-life advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. *Loved by Choice* will also be popular at the many adoption-related conferences, book readings, and fairs that take place around the world.

**20 Life-Transforming Choices Adoptees Need to Make, Second Edition** Sherrie Eldridge, 2015-03-21 Adoption authority Sherrie Eldridge offers personal life-affirming advice to adoptees who have mixed emotions about adoption. *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* Sherrie Eldridge, 2009-10-07 Birthdays may be difficult for me. I want you to take the initiative in opening conversations about my birth family. When I act out my fears in obnoxious ways, please hang in there with me. I am afraid you will abandon me. The voices of adopted children are poignant questioning. And they tell a familiar story of loss, fear, and hope. This extraordinary book, written by a woman who was adopted herself, gives voice to children's unspoken concerns and shows adoptive parents how to free their kids from feelings of fear, abandonment, and shame. With warmth and candor, Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love that he must grieve his loss now if he is to receive love fully in the future that she needs honest information about her birth family, no matter how painful the details may be, and that although he may choose to search for his birth family, he will always rely on you to be his parents. Filled with powerful insights from children, parents, and experts in the field, plus practical strategies and case histories that will ring true for every adoptive family, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child and within the adoptive home. *Journey to the Fatherless* Lawrence E.
