The Lesbian Lyre Jeffrey M. Duban,2016-08-23 Hailed by Plato as the Tenth Muse of ancient Greek poetry Sappho is inarguably antiquity s greatest lyric poet Born over 2 600 years ago on the Greek island of Lesbos and writing amorously of women and men alike she is the namesake lesbian What s left of her writing and what we know of her is fragmentary Shrouded in mystery she is nonetheless repeatedly translated and discussed no appropriated by all Sappho has most recently undergone a variety of treatments by agenda driven scholars and so called poet translators with little or no knowledge of Greek Classicist translator Jeffrey Duban debunks the postmodernist scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the originals Duban provides a reader friendly overview of Sappho s times and themes exploring her eroticism and Greek homosexuality overall He introduces us to Sappho s highly cultured island home to its lyre accompanied musical legends and to the fabled beauty of Lesbian women Not least he emphasizes the proximity of Lesbos to Troy making the translation and enjoyment of Homer s Iliad and Odyssey a further focus More than anything else argues Duban it is free verse and its rampant legacy and no two persons more than Walt Whitman and Ezra Pound that bear responsibility for the ruin of today s classics in translation to say nothing of poetry in the twentieth century Beyond matters of reflection for classicists Duban provides a far ranging beginner s guide to classical literature with forays into Spenser and Milton and into the colonial impulse of Virgil Spenser and the West at large

Dhar,2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature A Genealogy of the Verse Novel Catherine Addison,2017-11-06 The present age has seen an explosion of verse novels in many parts of the world Australia is a prolific producer as are the USA and the UK Novels in verse have also appeared in Canada New Zealand

India South Africa Jamaica and several other countries A novel written in verse contradicts theories that distinguish the novel as essentially a prose genre The boundaries of prose and verse are however somewhat fluid This is especially evident in the case of free verse poetry and the kinds of prose used in many Modernist novels The contemporary outburst may seem a uniquely Postmodernist flouting of generic boundaries but in fact the verse novel is not new Its origins reach back to at least the eighteenth century Byron's Don Juan in the early nineteenth century was an important influence on many later examples Since its first surge in popularity during the Victorian era it has never died out though some fine examples most of them from the earlier twentieth century have been neglected or forgotten This book investigates the status of the verse novel as a genre and traces its mainly English language history from its beginnings The discussion will be of interest to genre theorists prosodists narratologists and literary historians as well as readers of verse novels wishing for some background to this apparently new literary phenomenon *Sketches in the Pyrenees*, 1837 **The Ocean of Story** Somadeva Bhatta, 1927
