

SHORT LOVE STORY

Once a guy said to a girl: "Love is like a rainbow, it's colourful and makes people smile.

Love is like an ocean, it's deep and beautiful.

Love is like the sun, it shines and it's warm.
Love is like rain, it's calm and refreshing.
Will you let me show you that love?"

The girl shook her head while smiling:
"No"

The guy looked down sadly
and then he heard her saying
these words: "I want you to
show me YOUR
love..."

Lover Short Stories:

It's All About Love: Short Stories Collection KUMAR ANKIT ,2025-06-30 It's All About Love isn't just a book; it's an emotional journey through the most universal yet deeply personal experience we all face: love. Love is never just one thing. It's not always the butterflies or the grand gestures. Sometimes it's silence after an argument. Sometimes it's a message left on read. Sometimes it's an ache you carry quietly while the world sees you smiling. This collection of stories captures all of that: the first glance, the sweet beginnings, the painful goodbyes, and the beautiful process of healing. These aren't fairy tales. These are fragments of reality drawn from the lives we all live, but don't always speak about. You might find a version of yourself in the boy who never sent the final text or the girl who finds her name etched secretly in mehendi meant for someone else. These stories carry heartbreak not to depress you but to remind you love in every form shapes us. Each story is written to stand on its own, but together they form a full circle: a journey from falling in love to breaking apart to slowly learning to love again, even if it's just yourself. It's about closure, and sometimes the lack of it. It's about remembering that pain isn't the end of the story; healing is. Whether you're in love, healing from it, or hiding from it, this book is for you. Flip through slowly. Let the words sit with you. Feel everything and know that whatever phase of love you're in, you're not alone. Because in the end, it's all about love.
