Coleman, 2010-06-24 A study of Maurice Scève s sequence of love poems the *D lie* the first French canzoniere There are two main themes Scève s rendering of the intensity and complexity of the human experience of love and secondly his exploitation of the European tradition of love poetry Dr Coleman tackles broad issues concerning appreciation of poetry and more particularly difficult poetry Comparing individual poems by Horace Scève and Mallarmé she pinpoints the task of a serious

reader to experience sensitively and intellectually human emotions couched in artistic form The book does not offer doctrines about Sc ve s love instead it looks at the contextual linguistic formulae which create love within the poems themselves the allusiveness the intellectual rigour the tautness the juxtaposition of words combine with the voluptuousness and simplicity of the images rhythm and sound to make out of the poems a timeless an intensely personal experience *The Publishers' Trade List Annual* ,1881 Everyday Life and the Sacred ,2017-11-06 An interdisciplinary gender sensitive approach toward perspectives on the everyday and the sacred are the hallmark of this volume Looking beyond the dualistic status quo the authors probe the categories textures powers and practices that define how we experience embody and understand religion and the sacred their interconnection but also disassociation with the secular Contributions by an international group of feminist theologians and religious studies scholars aim to re configure the study of both religion and gender Angela Berlis Anne Marie Korte Kune Biezeveld Helga Kuhlmann Maaïke de Haardt Akke van der Kooi Dorothea Erbele K ster Willien van Wieringen Magda Misset van de Weg G Speelman Mathilde van Dijk Jacqueline Borsje Hedwig Meyer Wilmes Goedroen Juchtmans Alma Lanser and Riet Bons Storm *Everlasting Gestures* Buddy Hall,2009-12-15 Everlasting Gestures is a culmination of experiences and feelings that many may have once enjoyed or may long to enjoy Each poem is filled with heartfelt warmth and desirable measures that will have readers envisioning themselves in the moment by the end of each read poem The mantras played throughout the strength of each poem creates an atmosphere that readers will appreciate capture and imitate not only for themselves but for their lovers and loved ones alike The mind blowing words and profound gestures created by the author will leave readers staggering yet clamoring for more In Chocolate Lady the author speaks about a womans skin tone which creates sensational sensual thoughts in the authors mind regarding the woman and his admirable pleasures of bliss with her in his creative imagination In Beautiful the author takes the reader to a care free zone where they can relax and release all of the stresses of everyday life and in Ten Minutes the author takes the reader back to a night where an experience that lasted an eternity in the writers mind was culminated by recapturing the events in a ten minute time span before they depart from one another and in the writers mind what may be forever Buddy Hall brings you his perspective on romance love laughter and the defining moments that most can only dream of in this book The poems are intent on ensuring that the readers live the moment and embrace the feeling that is being expressed throughout every Everlasting Gesture Everlasting Gestures will create an imagination in your mind or heighten your already imaginative thoughts and place you on a romantic high that you may have never imagined Tales from Shakespeare Charles Lamb,Mary Lamb,2024-01-25 The following Tales in the Book are meant to be submitted to the young reader as an introduction to the study of Shakespeare for which purpose his words are used whenever it seemed possible to bring them in and in whatever has been added to give them the regular form of a connected story diligent are has been taken to select such words as might least interrupt the effect of the beautiful English tongue in which he wrote therefore words introduced into

our language since his time have been as far as possible avoided THE TEMPEST A MIDSUMMER NIGHT S DREAM THE WINTER S TALE MUCH ADO ABOUT NOTHING AS YOU LIKE IT THE TWO GENTLEMEN OF VERONA THE MERCHANT OF VENICE CYMBELINE KING LEAR MACBETH ALL S WELL THAT ENDS WELL THE TAMING OF THE SHREW THE COMEDY OF ERRORS MEASURE FOR MEASURE TWELFTH NIGHT OR WHAT YOU WILL TIMON OF ATHENS ROMEO AND JULIET HAMLET PRINCE OF DENMARK OTHELLO PERICLES PRINCE OF TYRE In those tales which have been taken from the Tragedies the young readers will perceive when they come to see the source from which these stories are derived that Shakespeare s own words with little alteration recur very frequently in the narrative as well as in the dialogue but in those made from the Comedies the writers found themselves scarcely ever able to turn his words into the narrative form therefore it is feared that in them dialogue has been made use of too frequently for young people not accustomed to the dramatic form of writing But this fault if it be a fault has been caused by an earnest wish to give as much of Shakespeare s own words as possible and if the He said and She said the question and the reply should sometimes seem tedious to their young ears they must pardon it because it was the only way in which could be given to them a few hints and little foretastes of the great pleasure which awaits them in their elder years when they come to the rich treasures from which these small and valueless coins are extracted pretending to no other merit than as faint and imperfect stamps of Shakespeare s matchless image Faint and imperfect images they must be called because the beauty of his language is too frequently destroyed by the necessity of changing many of his excellent words into words far less expressive of his true sense to make it read something like prose and even in some few places where his blank verse is given unaltered as hoping from its simple plainness to cheat the young reader into the belief that they are reading prose yet still his language being transplanted from its own natural soil and wild poetic garden it must want much of its native beauty It has been wished to make these Tales easy reading for very young children To the utmost of their ability the writers have constantly kept this in mind but the subjects of most of them made this a very difficult task It was no easy matter to give the histories of men and women in terms familiar to the apprehension of a very young mind For young ladies too it has been the intention chiefly to write because boys being generally permitted the use of their fathers libraries at a much earlier age than girls are they frequently have the best scenes of Shakespeare by heart before their sisters are permitted to look into this manly book and therefore instead of recommending these Tales to the perusal of young gentlemen who can read them so much better in the originals their kind assistance is rather requested in explaining to their sisters such parts as are hardest for them to understand and when they have helped them to get over the difficulties then perhaps they will read to them carefully selecting what is proper for a young sister s ear some passage which has pleased them in one of these stories in the very words of the scene from which it is taken and it is hoped they will find that the beautiful extracts the select passages
