Kusumita P. Pedersen,2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks

of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings The Meaning of the World Is Love Richard Clements,2022-05-01 Hans Urs von Balthasar 1905 1988 a prolific Catholic theologian from Switzerland has been called a new Father of the Church His work shaped not only by traditional theology and philosophy but by literature art and music made an impact on both Saint John Paul II and Pope Emeritus Benedict XVI Aidan Nichols O P describes Balthasar s fifteen volume masterwork the Trilogy as perhaps the high point of twentieth century Catholic theology Yet for all Balthasar s brilliance the core of his theology is extraordinarily simple love for God is love Love lies at the center of life indeed at the center of being itself For Balthasar the answers to all of man s big existential questions revolve around love The Meaning of the World Is Love compiled by psychologist Richard Clements brings Balthasar s meditations to a wider audience using brief excerpts from the theologian to walk readers through the landscape of divine love which is our home The path of love is the path of self gift as well as of truth goodness and beauty and it is the only way to genuine fulfillment Balthasar as Clements shows can point us to the very heart of reality God who gives himself to us without reserve *Poems* Arman Nabatiyan,2001 A collection of passionate poetry and romantic poems that attempts to explore the themes of love desire loss and the many triumphs and failures of life that pervade the blood breath and soul of humankind from the fond days of antiquity to the present time **Grace Rediscovered** Ben Gosden,2024-12-17 At some point everyone gets sick and tired of their circumstances They burn out at work lose patience with their family members or become exhausted from the stress of life Healing is something everyone longs for but people do not always know where to find it The good news is that with God s help healing is ultimately found within This book is a reflection on how what the author thought to be his greatest sign of brokenness became the very thing God used to begin his healing journey May this book springboard each reader s journey toward hope and healing with God s help *Standing under the Cross* Michael Mawson,2023-09-07 Standing Under the Cross focuses on Bonhoeffer s rich theological and ethical thinking It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth Franz Rosenzweig Jürgen Moltmann and James Cone The book gives particular attention to hermeneutics the body and Bonhoeffer s rich reflections on community and discipleship Mawson attends to the complex ways in which these aspects of Bonhoeffer s thinking work together and shows how they can assist us in responding to some of the challenges confronting us today *The Mystery of Jesus Christ* Fernando Ocáriz Braña,Fernando Ocáriz, Lucas F. Mateo Seco, José Antonio Riestra,1994 Written chiefly for theology students the book presents the authentic teachings of Catholic faith to be found not only in the ancient conciliar sources but also in important recent documents dealing with disputed issues of our times Chapters deal with The hoped for Saviour The Coming of Jesus Christ in the fullness

Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of Dreams of Love and Fateful Encounters emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love's vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love's sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover's internal soliloquy and external dialogue with the beloved that can develop over an individual's life An uplifting resource for people experiencing failing or unorthodox romances Dreams of Love and Fateful Encounters boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life Surrender and Catch K.H. Wolff, 2012-12-06 Surrender and Catch give so you can receive where the giving is your whole self in a total experience This is scarcely new on the American scene and it is ancient knowledge East and West The fears of total surrender the fears of self revelation and of total abandon although genuine are likewise not new Yet Kurt H Wolff does attempt something new here an epistemological essay with the help of this old idea his subtitle is experience and inquiry today He tries to formulate an integrated view which incorporates in the theory of total experience not only the accepted component esthetics religion the recent American experience but also a metaphysics a phenomenology a theory of perception a social philosophy and a methodology of the social sciences even a philosophy of history and psychopathology Phenomenology especially Alfred Schutz the critical Frankfurt school especially Adorno and Marcuse sociology especially Georg Simmel and existentialism

especially Camus are tied in together It all looks topsy turvy at first We have here scraps of a diary fragments of correspondence a stray adolescent love letter notes on notes on field work and notes and comments on tutorial seminars plus long excerpts from students essays a stray paper in a learned journal summarizing the core of the book comments piled on comments and a web of self references literary criticisms and pieces of poetry plus a rich scholarly apparatus Bonhoeffer and Christology Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive Christology that reflects the plurality of the globalized world as Bonhoeffer s Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows **Mark** Graham Joseph Hill,2024-08-01 The Gospel of Mark the second book of the New Testament serves as a profound narrative enriching Christian spirituality At its heart Mark s Gospel is a vivid and concise account of Jesus s ministry focusing primarily on his actions and miracles This briskly paced story propels us into the core of Jesus s life revealing him as the ultimate Servant and the Son of God Its simplicity and directness make it an accessible yet profoundly thought provoking text for daily devotion and reflection This devotional is the fifth book in a series of devotional books and podcast episodes designed to guide you through the entire Bible nourishing your soul renewing your purpose and deepening your theology contemplation and action In the Daily Devotions with Jesus series Graham Joseph Hill guides you through the entire Bible moving chapter by chapter from Genesis to Revelation This is a groundbreaking Bible podcast and devotional book series See how each book of the Bible deepens your faith and inspires you to follow Jesus in life changing ways See the podcast at <https://grahamjosephhill.com/devotions> *Surrendered Sexuality* Juli Slattery,2025-07-01 The purpose of our sexuality is not self discovery but to understand God s love We tend to have pockets of our lives dominated by the flesh and driven by cultural wisdom For many sexuality is one of those pockets Christians are confused about God s views on sex and intimacy In today s culture we struggle to grasp the meaning or purpose of our sexuality We don t know how to make sense of our temptation shame brokenness longings or desires What is more Christian churches and families are divided in the nuances of sexuality neglecting Jesus most important call to be unified as His body Recognized expert in biblical sexuality Dr Juli Slattery brings her years of experience biblical knowledge and passion for the Lord in applying the call of Christians to

surrender their views questions and pain to the God who changes everything Surrendered Sexuality provides a clear biblical understanding of the significance of our sexuality and the transformational power of Christ Readers discover how Jesus gave His life not primarily to change behavior but to renew our identity which is rooted in our union with Christ not our wounds feelings desires past or present sins or purity We re living amid tremendous cultural confusion and pain But we will not be able to offer life and hope without the fire of God s love first passing through us Surrendered Sexuality provides the biblical wisdom help and encouragement we all need

Redeemed in the Name of Love Leonard D. Lister,2010-05-28 Eveyday is a blessing Even when a storm approaches life takes a turn but as God promised we will always see the rainbow after the storm stretched out through the clouds God knows what we can handle but sometimes we forget what God can handle As a father to a son and a mother to a daughter love and faith is so strong and merciful God is mercy and love gentle but strong he brings joy and correction and he comforts the soul and gives correction I feel that God has brought me through the trails and walked with me through many stroms to see who I was before I could see that which is ahead Love From Above Hear My Cry and now Redeem In the Name of Love has centered my heart even more towards God and His Son Jesus Christ As much as we try to find love as we try to live a perfect life and as we try to become that prefect christian we find that we need God even more God has blessed me with so much but I still fall short of His glory my heart burns with the desire to love Him that loved me first God told me to keep my eyes on him I pray that God continues to use me and these poems to touch your heart as they have touched mine

Love Yourself Lightly Kristen Barrett Mattern,2017-09-06 While receiving messages from deceased loved ones angels and guides Kristen worried that she might be judged or criticized for departing from her accepted childhood beliefs But soon she was comforted and healed and began to recognize the loving nature that the messages brought forth as the truth of who we are After meeting her Spirit Guides she learned that the messages of self love would be essential in these changing times Kristen was raised in a religious group that focused heavily on a pending apocalypse She wondered if she was pleasing to the god that was looking for obedient followers to save in the end times Unworthiness plagued her into her adult years as she longed to find love in others Love Yourself Lightly is a series of channeled prayers that warm the heart and honor our physical non physical existence These brief but powerful messages will take you on a journey into the real you

Die to Love Unmani Liza Hyde,2011-06-16 This is book is for those who have been genuinely searching and longing for awakening or the truth Die to Love directly points the reader to the end of the spiritual search once and for all I am not trying to help you If you read this book I will simply destroy you And who am I I am you I am Life itself Die to Love explores the desperate longing for love and surrender that so many people feel But are we willing to lose everything that is familiar and safe in order to know that love that we long for Are we willing to die for love This is the death not of the body but of the identity called me Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation Two merge and become one Two separate individuals know that they can never be separate There are

also chapters on relationships and the madness of love as well as unconditional and conditional love and what compassion really is

The Heart Sutra Osho, 2014-09-09 The Heart Sutra originally a very short set of verses was given in privacy It was a message to one of Buddha's close disciples Sariputra and was specifically addressed to him Over time the Heart Sutra became one of Buddhism's core teachings In these ten talks Osho presents the powerful message of these ancient words and brings them to a modern audience one with different minds and needs than the original audiences of Buddha more than 2500 years ago Osho's message is not about Buddha the historical figure instead he addresses his readers and listeners and encourages them to discover their own inner reality their own buddhahood Like Buddha's Osho's message is about meditation and meditation alone rely only on your meditation and nothing else Osho also speaks on the seven chakras the energy centers of the human body and their corresponding relationships to the physical psychosomatic psychological psychospiritual spiritual spiritual transcendental and transcendental aspects of human growth and consciousness
