Loving With A Vengeance:

Loving with a Vengeance Tania Modleski, 2008-03-25 Upon its first publication *Loving with a Vengeance* was a groundbreaking study of women readers and their relationship to mass market romance fiction Feminist scholar and cultural critic Tania Modleski has revisited her widely read book bringing to this new edition a review of the issues that have in the intervening years shaped and reshaped questions of women's reading With her trademark acuity and understanding of the power both of the mass produced object film television or popular literature and the complex workings of reading and reception she offers here a framework for thinking about one of popular culture's central issues This edition includes a new introduction a new chapter and changes throughout the existing text

Loving with a Vengeance : Mass-Produced Fantasies for Women Tania Modelski, 1996 A study of Harlequin romances Gothic novels and television soap operas three forms of popular culture designed for women

Film Study Frank Manchel, 1990-10 The four volumes of *Film Study* include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities

New Approaches to Popular Romance Fiction Sarah S.G. Frantz, Eric Murphy Selinger, 2014-01-10 Despite the prejudices of critics popular romance fiction remains a complex dynamic genre It consistently maintains the largest market share in the American publishing industry even as it welcomes new subgenres like queer and BDSM romance Digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre's readership Romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans These eighteen essays investigate individual romance novels authors and websites rethink the genre's history and explore its interplay of convention and originality By offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies

Parallel Lies and Loving Vengeance Georgia Rose, 2020-10-22 A woman with a hidden past A new love on the horizon Will the truth set her free or cost her everything In *Parallel Lies* Madeleine Ross has meticulously organized her world to leave no trace of her criminal past After creating a new identity for herself her only remaining connection to her previous life is the security work she does for a small town insurance company But when she starts falling for her handsome boss Dan she's worried letting him in will expose secrets best kept locked away As their attraction grows stronger Madeleine's attempts to keep Dan in the dark go horribly wrong when a dangerous ex emerges from her unsavoury past After her former flame makes her an offer she can't refuse she has one choice left ditch her life as a thief to let Dan in or embrace her shady dealings to destroy her only shot at a happy future As the story continues in *Loving Vengeance* Madeleine's world once so organised is a mess Suffering the fallout from the mistakes she made with Tag she has no idea where she stands with Dan

Are they only friends or is there still a chance for something more Enter James cool calm and calculated A stranger she thinks But he knows her and he comes with an opportunity she can't refuse involving an enemy she'd tried to forget At first keen to return to her past Madeleine soon realises it's not only the gang that's changed and battles her own demons as well as an unpredictable villain Can Dan step up when he's needed Or will it be James who rides in to the rescue Because when things go badly for Madeleine and all hope seems lost there is only one who can save the day And only one who can bring more to the task than merely himself If you like strong heroines character driven action and powerful emotions then you'll love the Ross Duology

The Sexual Subject Mandy Merck, 2013-11-05 The Sexual Subject brings together writing on sexuality which has appeared in *Screen* over the past two decades It reflects the journal's continuing engagement with questions of sexuality and signification in the cinema an engagement which has had a profound influence on the development of the academic study of film and on alternative film and video practice The collection opens with Laura Mulvey's classic *Visual Pleasure and Narrative Cinema* with its conjunction of semiotics and psychoanalysis the critical approach which is most closely associated with *Screen*'s rise to international prominence The reader then goes on to explore the particular questions and debates which that conjunction provoked arguments around pornography and the representation of the body questions of the representation of femininity and masculinity of the female spectator and of the social subject Many of the writings in this Reader have become indispensable texts within the study of film The purpose of the Reader is not only to make the articles available to a wider readership and to a new generation but also to pose new conjunctions making connections in one volume between debates and inquiries which spanned two crucial decades of film theory The Sexual Subject is intended not only for all those with a particular interest in film and film theory but for anyone with a serious commitment to cultural theory theories of representation and questions of sexuality and gender

Democracy and the Foreigner Bonnie Honig, 2009-01-10 What should we do about foreigners Should we try to make them more like us or keep them at bay to protect our democracy our culture our well being This dilemma underlies age old debates about immigration citizenship and national identity that are strikingly relevant today In *Democracy and the Foreigner* Bonnie Honig reverses the question What problems might foreigners solve for us Hers is not a conventional approach Instead of lauding the achievements of individual foreigners she probes a much larger issue the symbolic politics of foreignness In doing so she shows not only how our debates over foreignness help shore up our national or democratic identities but how anxieties endemic to liberal democracy themselves animate ambivalence toward foreignness Central to Honig's arguments are stories featuring foreign founders in which the origins or revitalization of a people depend upon a foreigner's energy virtue insight or law From such popular movies as *The Wizard of Oz* *Shane* and *Strictly Ballroom* to the biblical stories of Moses and Ruth to the myth of an immigrant America from Rousseau to Freud foreignness is represented not just as a threat but as a supplement for communities periodically requiring renewal Why Why do people tell stories in which their societies are

dependent on strangers One of Honig's most surprising conclusions is that an appreciation of the role of foreigners in re-founding peoples works neither solely as a cosmopolitan nor a nationalist resource For example in America nationalists see one archetypal foreign founder the naturalized immigrant as reconfirming the allure of deeply held American values whereas to cosmopolitans this immigrant represents the deeply transnational character of American democracy Scholars and students of political theory and all those concerned with the dilemmas democracy faces in accommodating difference will find this book rich with valuable and stimulating insights

Japanese Fiction of the Allied Occupation Sharalyn Orbaugh, 2007 The reconstruction of identity in post World War II Japan after the trauma of war defeat and occupation forms the subject of this latest volume in Brill's monograph series Japanese Studies Library Closely examining the role of fiction produced during the Allied Occupation Sharalyn Orbaugh begins with an examination of the rhetoric of wartime propaganda and explores how elements of that rhetoric were redeployed postwar as authors produced fiction linked to the redefinition of what it means to be Japanese Drawing on tools and methods from trauma studies gender and race studies and film and literary theory the study traces important nodes in the construction and maintenance of discourses of identity through attention to writers representations of the gaze the body language and social performance This book will be of interest to any student of the literary or cultural history of World War II and its aftermath *Japanese Fiction of the Allied Occupation* was awarded Choice Outstanding Academic Title 2007

Putting On Appearances Diane Barthel, 2010-03-29 A lively critical analysis that reveals the overlooked and underestimated depth of cultural meaning behind contemporary American advertising

Reading Into Cultural Studies Martin Barker, Anne Beezer, 2003-09-02 *Reading Into Cultural Studies* revisits a selection of key texts central to the formation of cultural studies as a discipline and as a project These texts address questions of power ideology and the possibilities and limits of resistance Each of the eleven essays in the collection renews an early study in one area of cultural investigation bringing such seminal texts as *Subculture* by Dick Hebdige *Loving With a Vengeance* by Tania Modleski and *Bond and Beyond* by Tony Bennett back to the centre of attention However the essays are not purely celebratory Each study is critically examined in a number of ways for its research strategy its implicit theories of power and ideology for the empirical evidence it draws on and its conceptual framework Together the essays provide an introduction to some of the central debates and issues in cultural studies

Understanding Television Andrew Goodwin, Garry Whannel, 2005-07-20 *Understanding Television* offers an introduction to some of the issues of television broadcasting and its main genres It examines a number of programme categories such as news drama documentary sit com soap opera sport and quizzes and discusses aspects of the history of the organisation of television its audiences and its future it also looks at some key conceptual debates about hegemony in contemporary television

Boys Don't Cry? Milette Shamir, Jennifer Travis, 2002-04-10 We take for granted the idea that white middle class straight masculinity connotes total control of emotions emotional inexpressivity and emotional isolation That men repress their feelings as they seek their fortunes in the competitive worlds of business and politics seems to be a given This collection of

essays by prominent literary and cultural critics rethinks such commonly held views by addressing the history and politics of emotion in prevailing narratives about masculinity How did the story of the emotionally stifled U S male come into being What are its political stakes Will the release of straight white middle class masculine emotion remake existing forms of power or reinforce them This collection forcefully challenges our most entrenched ideas about male emotion Through readings of works by Thoreau Lowell and W E B Du Bois and of twentieth century authors such as Hemingway and Kerouac this book questions the persistence of the emotionally alienated male in narratives of white middle class masculinity and addresses the political and social implications of male emotional release

On Living with Television Amy Holdsworth,2021-10-04 In *On Living with Television* Amy Holdsworth examines the characteristics of intimacy familiarity repetition and duration that have come to exemplify the medium of television Drawing on feminist television studies queer theory and disability studies as well as autobiographical life writing practices Holdsworth shows how television shapes everyday activities from eating and sleeping to driving and homemaking Recounting her own life with television she offers a sense of the joys and pleasures Disney videos brought to her disabled sister traces how bedtime television becomes part of a daily routine between child and caregiver explores her own relationship to binge eating and binge viewing and considers the idea of home through the BBC family drama *Last Tango in Halifax* By foregrounding the ways in which television structures our relationships daily routines and sense of time Holdsworth demonstrates how television emerges as a potent vehicle for writing about life
