Loyalists Of Revolutionary Delaware:

The Loyalists of Revolutionary Delaware Harold Bell Hancock, 1977 *The Delaware Loyalists* Harold Bell Hancock, 1972 **The Loyalists of Revolutionary Delaware** Harold Bell Hancock, 1977 *The Loyalists of Delaware During the American Revolution* Henry Wood Wilson, 1935 **The Other Loyalists** Joseph S. Tiedemann, Eugene R. Fingerhut, Robert W. Venables, 2009-04-17 In *The Other Loyalists* we meet for the first time the ordinary people of the Middle Colonies who remained loyal to Britain during the American Revolution The first important new scholarship in decades these essays uncover the reasons why middle and lower class citizens chose to become Loyalists how they participated in and endured the Revolution and what happened to them because of their defeat In unprecedented clarity we are allowed to see the tragedy violence and suffering of places such as the lower Delaware and Hudson valleys the Delmarva Peninsula western Pennsylvania and northern Virginia This book fills an important void in our understanding of the American Revolution reminding us that not all Loyalists were members of the elite and that their motivations were a complicated medley of political beliefs religious convictions and self interest *The Loyalists in Revolutionary America, 1760-1781* Robert McCluer Calhoun, 1973 Comments on the personalities who criticized or opposed colonial resistance during the pre Revolutionary period and describes loyalist activity between 1776 and 1781 **Proceedings of the House of Assembly of the Delaware State, 1781-1792, and of the Constitutional Convention of 1792** Claudia L. Bushman, Harold Bell Hancock, Elizabeth Moyne Homsey, 1988 This volume of the proceedings of Delaware s lower house completes the publication of Delaware s legislative papers a project envisioned by Delawareans more than one hundred years ago Warner Mifflin Gary B. Nash, 2017-09-07 Warner Mifflin energetic uncompromising and reviled was the key figure connecting the abolitionist movements before and after the American Revolution A descendant of one of the pioneering families of William Penn s Holy Experiment Mifflin upheld the Quaker pacifist doctrine carrying the peace testimony to Generals Howe and Washington across the blood soaked Germantown battlefield and traveling several thousand miles by horse up and down the Atlantic seaboard to stiffen the spines of the beleaguered Quakers harried and exiled for their neutrality during the war for independence Mifflin was also a pioneer of slave reparations championing the radical idea that after their liberation Africans in America were entitled to cash payments and land or shared crop arrangements Preaching restitution Mifflin led the way in making Kent County Delaware a center of reparationist doctrine After the war Mifflin became the premier legislative lobbyist of his generation introducing methods of reaching state and national legislators to promote antislavery action Detesting his repeated exercise of the right of petition and hating his argument that an all seeing and affronted God would punish Americans for national sins many Southerners believed Mifflin was the most dangerous man in America a meddling fanatic who stirred the embers of sectionalism after the ratification of the Constitution of 1787 Yet he inspired those who believed that the United States had betrayed its founding principles of natural and inalienable rights by allowing the cancer of slavery

and the dispossession of Indian lands to continue in the 1790s Writing in beautiful prose and marshaling fascinating evidence Gary B Nash constructs a convincing case that Mifflin belongs in the Quaker antislavery pantheon with William Southeby Benjamin Lay John Woolman and Anthony Benezet **Prisoners of Congress** Norman E. Donoghue II, 2023-06-13 In 1777 Congress labeled Quakers who would not take up arms in support of the War of Independence as the most Dangerous Enemies America knows and ordered Pennsylvania and Delaware to apprehend them In response Keystone State officials sent twenty men seventeen of whom were Quakers into exile banishing them to Virginia where they were held for a year Prisoners of Congress reconstructs this moment in American history through the experiences of four families the Drinkers the Fishers the Pembertons and the Gilpins Identifying them as the new nation's first political prisoners Norman E Donoghue II relates how the Quakers once the preeminent power in Pennsylvania and an integral constituency of the colonies and early republic came to be reviled by patriots who saw refusal to fight the English as borderline sedition Surprising vital and vividly told this narrative of political and literal warfare waged by the United States against a pacifist religious group during the Revolutionary War era sheds new light on an essential aspect of American history It will appeal to anyone interested in learning more about the nation's founding *A Companion to the American Revolution* Jack P. Greene, J. R. Pole, 2008-04-15 *A Companion to the American Revolution* is a single guide to the themes events and concepts of this major turning point in early American history Containing coverage before during and after the war as well as the effect of the revolution on a global scale this major reference to the period is ideal for any student scholar or general reader seeking a complete reference to the field Contains 90 articles in all including guides to further reading and a detailed chronological table Explains all aspects of the revolution before during and after the war Discusses the status and experiences of women Native Americans and African Americans and aspects of social and daily life during this period Describes the effects of the revolution abroad Provides complete coverage of military history including the home front Concludes with a section on concepts to put the morality of early America in today's context Loyalist Land Ownership in Upper Canada's Norfolk County, 1792-1851 Colin Read, 2025-09-12 After the American Revolution many Loyalists moved north where the British colonial government awarded them generous land grants on favourable terms The intention behind these grants was to create a landed gentry in Upper Canada that would safeguard the colony's political security and build social cohesion among its leadership *Loyalist Land Ownership in Upper Canada's Norfolk County 1792-1851* examines the long term landholding of Loyalists and other settlers who arrived in the county before 1812 to judge whether this social experiment succeeded Colin Read explores the various ways that settlers acquired and transmitted land the nature of familial land sales and the place of women in owning land Consulting land records and genealogical research he finds that no landed elite endured in Upper Canada Loyalists owned only marginally more land than non Loyalists by 1851 and it was commonplace for latecoming settlers to eventually own land Yet early arrival was a significant determinant of later landholding and property size it mattered who settled first Land was

the main source of wealth in early Canada This fine grained study sheds light on how it was acquired disposed of and passed down through generations in the nineteenth century Although a landed aristocracy was never realized the colonial state s allocation of land to settlers laid the foundation for their social standing

Disestablishment and Religious Dissent Carl H. Esbeck, Jonathan J. Den Hartog, 2019-11-15 On May 10 1776 the Second Continental Congress sitting in Philadelphia adopted a Resolution which set in motion a round of constitution making in the colonies several of which soon declared themselves sovereign states and severed all remaining ties to the British Crown In forming these written constitutions the delegates to the state conventions were forced to address the issue of church state relations Each colony had unique and differing traditions of church state relations rooted in the colony s peoples their country of origin and religion This definitive volume comprising twenty one original essays by eminent historians and political scientists is a comprehensive state by state account of disestablishment in the original thirteen states as well as a look at similar events in the soon to be admitted states of Vermont Tennessee and Kentucky Also considered are disestablishment in Ohio the first state admitted from the Northwest Territory Louisiana and Missouri the first states admitted from the Louisiana Purchase and Florida wrestled from Spain under U S pressure The volume makes a unique scholarly contribution by recounting in detail the process of disestablishment in each of the colonies as well as religion s constitutional and legal place in the new states of the federal republic

Revolutionary New Castle Theodore Corbett, 2012 Though New Castle did not see any battles during the American Revolution it was the Delaware s Colonial capital and at it was at the center of the rebellion in the state Its village green still present today served as a venue for early forums where colonists aired their grievances with the British government Though it was considered more radical and inclined towards rebellion than the rest of Delaware the city was also home to a sizable Loyalist community When the city was occupied by the British in 1777 Loyalists from other colonies flocked to the relative safety of the city However after their departure New Castle was still plagued by refugees who were essentially Loyalist privateers that preyed on the coastal communities of the Delaware Bay Historian Ted Corbett charts the history of this community in its days leading up to the Revolution through the conflict and into the early years of the Republic when Delaware struggled to set up its new government

The Philadelwareans, and Other Essays Relating to Delaware John Andrew Munroe, 2004 This volume presents a varied sampling of the author s writings from the past sixty years along with some previously unpublished materials It begins with a long prologue that the author calls a literary autobiography and this story is continued and amplified in introductory notes that accompany each of the following items the relationship between Delaware and the city of Philadelphia This theme reappears in many guises in the background of other items as for example in a summary of New Castle s history in an investigation of an experiment in nonresident representation in Congress and in explanation of the unique importance of an early Wilmington collector of customs In the last essay previously unpublished the relationship is personalized in a reminiscence contributing to the autobiographical theme with which the book began at the

University of Delaware Conduct Of The Partisan War In The Revolutionary War South L-Cmdr Kristin E. Jacobsen, 2014-08-15 The partisan war in the Revolutionary War South demonstrated the vital linkage between the civil and military authorities In the policies created to persuade the people of the righteousness of the American cause and neutralize opposition the civil leadership of South Carolina inadvertently set the conditions for a violent civil war The experiences derived from a century s worth of almost constant conflict both internal and external determined the nature of the ensuing civil war Upon the occupation by the British in 1780 the calm that settled over the Southern colonies was brief as British military leaders addressed the political problem in such a way as to lead to renewed revolt and an effective partisan campaign The civil war became intertwined with the overall campaigns of the American and British forces with the nature of the leaders having equal effect on the concurrent civil war The American Founding Experience Charles S. Hyneman, 1994 An Illini book from the University of Illinois Press Page 4 of cover **That Ever Loyal Island** Phillip Papas, 2009-03 Of crucial strategic importance to both the British and the Continental Army Staten Island was for a good part of the American Revolution a bastion of Loyalist support With its military and political significance Staten Island provides rich terrain for Phillip Papas s illuminating case study of the local dimensions of the Revolutionary War Papas traces Staten Island s political sympathies not to strong ties with Britain but instead to local conditions that favored the status quo instead of revolutionary change With a thriving agricultural economy stable political structure and strong allegiance to the Anglican Church on the eve of war it was in Staten Island s self interest to throw its support behind the British in order to maintain its favorable economic social and political climate Over the course of the conflict continual occupation and attack by invading armies deeply eroded Staten Island s natural and other resources and these pressures combined with general war weariness created fissures among the residents of that ever loyal island with Loyalist neighbors fighting against Patriot neighbors in a civil war Papas s thoughtful study reminds us that the Revolution was both a civil war and a war for independence a duality that is best viewed from a local perspective Ratifying the Constitution Michael Allen Gillespie, Michael Lienesch, 1989 How the United States Constitution was ratified by Delaware Pennsylvania New Jersey Georgia Connecticut Massachusetts Maryland South Carolina New Hampshire Virginia New York State North Carolina Rhode Island **Books on Early American History and Culture, 1971-1980** Raymond D. Irwin, 2004-11-30 Books on Early American History and Culture 1971 1980 An Annotated Bibliography continues a series of bibliographies listing book length works on North America and the Caribbean prior to 1815 Essential for scholars librarians and students of early America the book surveys nearly 1 200 monographs essay collections exhibition catalogues and reference works published between 1971 and 1980 In addition to bibliographic information each entry includes brief annotations which describe the scope and approach to each item and the book s main thesis Also included are lists of journals where each work has been reviewed and the number of times the book has been cited in professional literature and the number of OCLC member libraries holding the work In 31 thematic sections

the book covers such topics as exploration and colonialization Native Americans the American Revolutionary War the Constitution race and slavery gender religion **Jonathan Odell, Loyalist Poet of the American Revolution** Cynthia Dubin Edelberg, 1987 Jonathan Odell's life and writings give us insight into the American Revolution by revealing Loyalist ideology the ambitious few have led the gullible multitude to slaughter and he rails against the British military for fighting a war of containment aimed at bringing the rebel leadership to negotiation This policy effectually trapped the Loyalists between the British army which ignored them and the rebels who despised them One of the best educated of the colonialists Odell a physician turned Anglican minister and then writer lived the gamut of experience powerful friends sustained him and the British commanders in chief Sir William Howe Henry Clinton and Sir Guy Carleton employed him nevertheless during the war he was a lonely exile Tory hunters forced him from his home in 1775 and at the end of the war when his hope for reconciliation between the Loyalists and the Americans came to nothing he reluctantly emigrated to Canada Here is a voice all but silenced for over two hundred years that must now be heard if we are to better understand the American Revolution

While this might not be the Loyalists Of Revolutionary Delaware full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Loyalists Of Revolutionary Delaware eBooks, including some popular titles.

FAQs About Loyalists Of Revolutionary Delaware Books

What is a Loyalists Of Revolutionary Delaware PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Loyalists Of Revolutionary Delaware PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Loyalists Of Revolutionary Delaware PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Loyalists Of Revolutionary Delaware PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Loyalists Of Revolutionary Delaware PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
