Fourteen Sermons Preach'd on Several Occasions Francis Atterbury, 1708      *In Close Harmony: the Story of the Charles K. Wolfe*, 1996-01-01 For many appreciators the essence of country music is harmony singing Country harmony for most of these is synonymous with the blended voices of Ira and Charles Louvin The Louvin Brothers for sure have influenced almost all revered rock and roll singers and country singers from the Everly Brothers to Emmylou Harris Until now there has been no full length book about their remarkable career and their rich complex music In Close Harmony provides a detailed portrait of the Louvins and the turbulent country music world of the 1950s      **The Crouching Beast** Frank Boccia, 2013-06-06 As a first lieutenant in Bravo Company of the Third Battalion 187th Infantry Frank Boccia led a platoon in two intense battles in the Vietnamese mountains in April and May 1969 Dong Ngai and the grinding 11 day battle of Dong Ap Bia the Mountain of the Crouching Beast in Vietnamese or Hamburger Hill as it is popularly known The Rakkasans the 3 187th are the most highly decorated unit in the history of the United States Army and two of those decorations were awarded for these two battles This vivid account of the author s first seven months in Vietnam gives special attention to the events at Dong Ap Bia following the hard hit 3 187th hour by hour through its repeated assaults on the mountain against an unseen enemy in an ideal defensive position It also corrects several errors that have persisted in histories and official reports of the battle Beyond describing his own experiences and reactions the author writes I want to convey the real face of war both its mindless carnage and its nobility of spirit Above all I want to convey what happened to both the casual reader and the military historian and make them aware of the extraordinary spirit of the men of First Platoon Bravo Company They were ordinary men doing extraordinary things      Textual Criticism of the New Testament for English Bible Students; Being a Comparison of the Authorised Version with the Critical Texts of Griesbach, Scholz, Etc Clarence Esme STUART, 1876      **Textual Criticism of the New Testament, for English Bible Students; Being a Succint Comparison of the Authorised Version with the Critical Texts of Griesbach, Scholz Laehmann, Tischendorf, Treggeles, Alford, and the Uncial MSS.** Clarence Esme Stuart, 1876      *Into the Green* Cherokee Paul McDonald, 2001-07-01 Into the Green is Cherokee Paul McDonald s stark and stirring account of his three years as an Artillery Forward Observer in Vietnam Born out of memories and emotions and the weight of conscience it is an eloquent meditation on what it means to be a soldier McDonald tells his story in the voice of memory as a writer looking back He wanted to capture the immediacy of war moment by moment the tastes the textures the colors smells and emotions that have stayed with him forever In a series of interlocking episodes he describes the daily grind of military life and the terror and brutality of active combat He talks about the men who were his comrades and friends and nights spent in the impenetrable darkness of steaming jungles beneath a triple canopy of green in the central highlands of Vietnam An indelible portrait of a soldier and of the physical and emotional destruction that is the legacy of all wars Into the Green is a haunting chronicle of a place and a time that will never fade from memory      Textual

**Manifestations of Masculine Magnificence** Teresa N. Washington, 2014-02-25 Manifestations of Masculine Magnificence Divinity in Africana Life Lyrics and Literature is a remarkable study and the first of its kind Teresa N Washington eschews popular culture s pimp myths and thug sagas and traces the Africana man s power creativity and consciousness to his inherent divinity Manifestations of Masculine Magnificence takes the reader to the source of power with an analysis of African Divinities and divine technologies Washington explores the permanence and proliferation of African Gods from oppressive plantations to the empowering

proclamations of such leaders as W D Fard Marcus Garvey Father Divine and Allah the Father Washington analyzes the summonses to and from the Gods that resonate in the music of such artists as Erykah Badu The RZA Sun Ra X Clan and Rakim Using literary analysis as a prism to display the diversity of Africana divinity Washington reveals the literature of such writers as August Wilson Walter Mosley Toni Morrison Ngugi wa Thiong o and Ishmael Reed to be three way mirrors that eternally reflect and project the Gods their myriad powers and their weighty responsibilities Manifestations of Masculine Magnificence will prove indispensable to independent scholars as well as scholars of Comparative Literature Hip Hop Studies Gender Studies Africana Studies Literary Criticism and Religious Studies     *The Pilgrims' Complaint* M. L. Bush, 2009

Thanks to its character as a rising of the commons and the survival of extensive documentary evidence the Pilgrimage of Grace offers a fascinating insight into how the people of the north of England on the eve of the Reformation thought about religion social relations and politics In this book Michael Bush opens up an alternative and dynamic means of exploring the popular mentality of the time through an examination of the wide variety of sources generated by the rebels rather than relying on the social political and religious views set out in contemporary treatises and sermons towing the government's line
