post punk group that could have gone all the way were it not for the visionary excess and uncompromising bloody minded belief that served to confirm them as underground legends Written in a series of hallucinatory first person eye witness accounts that capture the prosaic madness of the time and place heady with the magic of youth recalled This Is Memorial Device combines the formal experimentation of David Foster Wallace at his peak circa Brief Interviews With Hideous Men with moments of delirious psychedelic modernism laugh out loud bathos and tender poignancy
