The Luck of Roaring Camp, and Other Sketches (Classic Reprint) Bret Harte,2016-08-03 Excerpt from The Luck of Roaring Camp and Other Sketches With this lamentable example before me I trust that in the following sketches I have abstained from any positive moral I might have painted my villains of the blackest dye so black Indeed that the originals thereof would have contemplated them with the glow of comparative virtue I might have made it impossible for them to have performed a virtuous or generous action and have thus avoided that moral confusion which is apt to arise in the contemplation of mixed motives and qualities But I should have burdened myself with the responsibility of their creation which as a humble writer of romance and entitled to no particular reverence I did not care to do About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

settlement on the Mokulmne River in Amador County California It was home to forty miners seeking gold in and around the river it is now a privately owned tourist attraction The story s flood theme may have been inspired by California s Great Flood of 1862 which Harte witnessed The story takes place in a small struggling mining town located in the foothills of the California mountains at the time of the gold rush The camp is suffering from a long string of bad luck With only one woman in their midst it seems as though the miners have no future However the tide turns when a small boy is born Thomas Luck is the first newborn the camp has seen in ages things are looking up The miners become cheerful foliage begins to grow and there is talk of building a hotel to attract outsiders Unfortunately the hope is wiped out by the sudden death of Luck in a flood Water brought gold to the gulches giving miners their first glimmer of hope And water takes away what seems their last glimmer Luck Francis Bret Harte August 25 1836 May 5 1902 was an American short story writer and poet best remembered for his short fiction featuring miners gamblers and other romantic figures of the California Gold Rush In a career spanning more than four decades he wrote poetry fiction plays lectures book reviews editorials and magazine sketches in addition to fiction As he moved from California to the eastern U S to Europe he incorporated new subjects and characters into his stories but his Gold Rush tales have been most often reprinted adapted and admired
