Lucky Thirteenth Side Show:

Side Show Rick Shelley, 2024-04-25 The classic military science fiction trilogy continues as the Lucky 13th Spaceborne Assault Team embarks on a suicide mission across enemy lines The planet of Jordan has become a hellscape of blood violence and ever present death The world had been conquered by the brutal Schlinal Hegemony years ago But now the Accord of Free Worlds has decided to make a determined push to retake the territory they have lost to the enemy Now as the battle reaches a lethal stalemate Sgt Joe The Bear Baerclau and his 13th SAT receive orders to leave their perimeter and venture into the wild Their target a secret science lab that was in place before the Schlinal invasion Their orders find the scientists if they survived and return them to Accord lines And if that s not possible kill them and destroy all evidence of the lab Now Bear and his team must fight a running battle across dangerous unknown territory in search of a covert facility that may or not hide a dreadful secret Even more lethal than the landscape is the equally skilled Hegemony force that s hot on their trail and eager for the kill But for the Lucky 13th that s just another day on the job The Field Illustrated A. Spaceborne Assault Team battles for their survival on a faraway planet in this classic first entry in a science fiction military action trilogy Three thousand years ago humanity expanded its presence by settling hundreds of worlds across the galaxy Yet even as technology allowed them to boldly travel light years the nature of humanity changed very little Over time countless regimes and governments rose and fell in a quest for power In the end only two remained the industrial dictatorship of the Schlinal Hegemony and the feudal based Dogel Worlds The last independent worlds of the Terran Cluster finally united as the Accord of Free Worlds and fought back against the conquerors as no one had before So the war continues When the Schlinal Hegemony goes on the offensive the Accord decides to send their forces to several other planets to disperse the Hegemony forces The planet Porter is where Sgt Joe Baerclau and his 13th Spaceborne Assault Team are deployed Unfortunately what begins as a holding action soon becomes a brutal battle against a relentless foe And it soon becomes clear that the Lucky 13th only has three options left keep the enemy at bay until backup arrives hope the enemy decides to quit the fight in frustration or be buried on Porter

Officer-Cadet Rick Shelley, 2011-06-14 A military academy reject seeks to prove himself among the ranks of mercenaries in this classic military science fiction action series opener The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan wasn't supposed to be serving with the DMC He'd earned his place at the elite North American Military Academy and he'd excelled there But when he's kicked out of the Academy on trumped up charges he's left with no choice join the DMC or go home So join he does going from top of his class to bottom rung in the DMC To become an officer he'll have to survive his first taste of combat with his new army and if he fails he won't lose just his honor but his life The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page

Colonel Rick Shelley, 2011-07-06 Explosive space combat as a soldier faces his final battle from the national bestselling author of the Federation War series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best As a young cadet all Lon Nolan ever dreamed of was serving in the military of planet Earth After a dishonorable discharge on trumped up charges he saved himself and his honor by joining up with the Dirigent Mercenary Corps Over the decades he's forged himself a place with the DMC and shown himself to be a true hero There's even talk that he might become the next General But Lon isn't after a promotion in fact he's thinking about retirement With his son in the Corps he's hoping he can leave the fighting to the next generation But when the political machinations of the Confederation of Human Worlds get in the way Lon has to return to the front lines leading not just his troops but his son among them into a final bitter campaign Rick Shelley was a soldier at heart and his books were written from the heart They carry the real feel of the sweat blood and camaraderie
