Me A Memoir:

Me Brenda Ueland, 2016 Brenda Ueland's passionate coming of age story set in Minneapolis and Greenwich Village the focus of her masterpiece autobiography first published in 1939 *Finding Me* Viola Davis, 2022-04-26 In my book you will meet a little girl named Viola who ran from her past until she made a life changing decision to stop running forever This is my story from a crumbling apartment in Central Falls Rhode Island to the stage in New York City and beyond This is the path I took to finding my purpose and my strength but also to finding my voice in a world that didn't always see me As I wrote *Finding Me* my eyes were open to the truth of how our stories are often not given close examination They are bogarted reinvented to fit into a crazy competitive judgmental world So I wrote this for anyone who is searching for a way to understand and overcome a complicated past let go of shame and find acceptance For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be you *Finding Me* is a deep reflection on my past and a promise for my future My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you **The Story Game: A Memoir** Tjoa, Shze-Hui, 2025-06-29 In the humid dark of a eucalyptus scented room a woman named Hui lies on a mattress telling stories about herself to her listener a little girl She talks about her identity as the child of an immigrant her feelings about being in a mixed race marriage her opinions on mental health But as her stories progress it becomes clear a volatile secret lurks beneath their surface There are events in Hui's past that have great significance for the person she's become but that have gone missing from her memory What is it exactly that is haunting Hui Who is the little girl she talks to And who is Hui herself As the conversation continues what unfolds is a breathtaking unexpected journey through layers of story toward truth and recovered identity a memoir that reenacts in tautly novelistic fashion the process of healing that author Shze Hui Tjoa moved through to recover memories lost to complex PTSD and eventually reconstruct her sense of self Stunning in its originality and intimacy *The Story Game* is a piercing tribute to selfhood and sisterhood a genre shattering testament to the power of imagination and a one of a kind work of art **The Story Of "Me"** Marjorie Worthington, 2018-11 Autofiction or works in which the eponymous author appears as a fictionalized character represents a significant trend in postwar American literature when it proliferated to become a kind of postmodern cliché *The Story of Me* charts the history and development of this genre analyzing its narratological effects and discussing its cultural implications By tracing autofiction's conceptual issues through case studies and an array of texts Marjorie Worthington sheds light on a number of issues for postwar American writing the maleness of the postmodern canon and anxieties created by the supposed waning of male privilege the relationship between celebrity and authorship the influence of theory the angst stemming from claims of the death of the author and the rise of memoir culture Worthington constructs and contextualizes a bridge between the French literary context from which the term originated and the rise of autofiction among various American literary movements from

modernism to New Criticism to New Journalism The Story of Me demonstrates that the burgeoning of autofiction serves as a barometer of American literature from modernist authorial effacement to postmodern literary self consciousness The pilgrim's progress. Brown John Bunyan,1897 *The Truth of Memoir* Kerry Cohen,2014-12-19 Baring the Truth in Your Memoir When you write a memoir or personal essay you dare to reveal the truths of your experience about yourself and about others in your life How do you expose long guarded secrets and discuss bad behavior How do you gracefully portray your family members friends spouses exes and children without damaging your relationships How do you balance your respect for others with your desire to tell the truth In *The Truth of Memoir* best selling memoirist Kerry Cohen provides insight and guidelines for depicting the characters who appear in your work with honesty and compassion You'll learn how to choose which details to include and which secrets to tell how to render the people in your life artfully and fully on the page and what reactions you can expect from those you include in your work as well as from readers and the media Featuring over twenty candid essays from memoirists sharing their experiences and advice as well as exercises for writing about others in your memoirs and essays *The Truth of Memoir* will give you the courage and confidence to write your story and all of its requisite characters with truth and grace Kerry Cohen's *The Truth of Memoir* is a smart soulful psychologically astute guide to first person writing She reveals everything you want to know but were afraid to ask about telling your life story Susan Shapiro author of eight books including *Only As Good as Your Word* and co author of *The Bosnia List* **Come September—A Different Kind of Memoir** Harriet A. With a Biographical Memoir of the Author, Literary Prefaces ... and Illustrative Notes (etc.)* Daniel Defoe,1841 Daniel Mendelsohn's Memoir-Writing Sophie Vallas,2021-11-16 This volume of eight essays written by French scholars analyzes Daniel Mendelsohn's first three volumes of nonfiction *The Elusive Embrace* 1999 *The Lost* 2006 and *An Odyssey* 2017 and includes an illustrated interview 2019 in which Mendelsohn tackles various aspects of his work as a literary and cultural critic as a professor of classical literature as a translator and as a memoirist The essay discussing *The Elusive Embrace* 1999 argues that in addition to offering a subtle reflection on sexual identity and genres Mendelsohn's first volume already broadens his topic and patiently weaves links between ancient and present times feeding his meditation with his knowledge of Greek culture and myths a natural movement of back and forth which would become his signature *The Lost* 2006 his much acclaimed investigation on six members of his family who died during the period known as the Holocaust by bullets is analyzed as a close up on the disappearance of a whole world the unspeakability of which Mendelsohn addressed through intertwining several languages linguistic echoes and biblical references Finally Mendelsohn's recent *An Odyssey* 2017 is studied as a brilliant musing on
