When legislation is introduced to stop ranch workers from owning cattle the cowboys rally together and strike **The Wolf Vet: Buck Moon** Cleo Mercer, 101-01-01 Zoey Cooper didn't choose to become a werewolf. But as a vet she couldn't help but to try to save a wounded wolf. In the rugged Black Hills no good deed goes unpunished. She wasn't just turned by a werewolf; she was given a deadly virus in the process. The other packs want her neutralized, but with the cure just within reach, Zoey isn't ready to lay down for anyone. Not even her own mate. Living or dead, Zoey isn't sure where Peter is. She isn't sure who's side Peter is even on his own pack or hers. But she isn't alone. She's got her boxer turned wolf ex on one side and the straight laced sheriff gone wild on the other side. Time is running out. Zoey must prove she has the cure before the other packs close in. With the weight of countless lives on her shoulders, love seems of little consequence. Especially when her feelings are so muddled between three men she never expected to fall for. *Whose Curious Stars* C. Marcus Parr, 2009-04-01 Fourteen year old Daniel Aiken has moved to Oregon but his roots are in California. His mother marries Robin Stanley, a self-righteous man who wants nothing more than to be rid of his stepson. They move to a small Oregon town where Daniel tries to protect his younger brother Jesse who suffers from Fetal Alcohol Syndrome. At his new school, Daniel befriends the criminally minded but good hearted Hitch McDonough. Together they raise hell, steal beer from convenience stores and talk about the meaning of life in a graveyard. Illegal drugs are smoked and girlfriends end up pregnant. At every turn, deception. Robin Stanley threatens to send Daniel to a military academy away from his mother and little brother. Then the unexpected happens. *Whose Curious Stars* is a coming of age story about a delinquent boy who is saved by his science teacher and whose bad behavior is offset by a code of honor and an unwavering obedience to greater truths. Against all odds, in the end, he does the right thing. 252 pages **The Wolf Vet: Strawberry Moon** Cleo Mercer, 101-01-01

Vet to the Sexy Werewolf Pack. Zoey Cooper is through with bad boys. She moved to The Black Hills to get away from her toxic ex, only to land herself right in the middle of werewolf territory. An entire pack of motorcycle riding tattoo covered wolves live just down the road and they're on the hunt. They need a new doc and Zoey fits the bill. From the moment they met, he rubbed her the wrong way. Cocky. Bossy. The exact opposite of what she was looking for in a man. But the chemistry between Zoey and the pack's most powerful shifter is undeniable. To the rest of the pack, he's just a teddy bear. But for Zoey, he just can't help himself. She brings out the animal in him. Zoey won't have time to separate her strange attraction from her instinct to help creatures in need. A rogue wolf is on the loose and it's leaving a trail of terror and destruction in its wake. Zoey and her new biker friend will have to work together or risk it all. Lost Soul Josephine

Jeffries, 2007-10 As a child growing up I had all the love that my parents could give but the struggles growing up very poor led me to rebel and I began to live life on the wild side In school there was constant pressure from all the other kids because I did not have all the luxuries that most of them took for granted Skipping school hitch hiking and getting high became my way of escape from all the pressures of growing up At the time I didn t know it but all of this was God s plan for me to prepare me for what was ahead There were so many times I put my life at risk just for a cheap thrill I should not be here now to write this book But by the grace of God I was spared from my stupidity and given the opportunity to tell my story The story

of how God's love surpasses any and all struggles that this world can throw at you This is the story of my LOST SOUL I'm fifty two years old and sick My biggest dream has been to help impoverished and sick children and their families My Lord put it in my heart to write this book It took me one year to complete it Many times I prayed to the Lord to allow me to help all the children Now with the writing of this book I hope that I can My book really is God's book Lost Soul describes my life long struggle to fully serve my Lord who has always even in the darkest days of my life guided me to overcoming sadness and tragedy involving my friends relatives and myself It took me years to grow stronger to see the joy that only Jesus can give
