Me And My Mum:

My Mum's a Twat Anoushka Warden, 2018-01-08 Have you ever tried to sustain a relationship with a twat It s hard work and you need to be completely not a twat yourself if you want any success in this Which is really hard when you ve just started being a teenager As if growing up wasn t hard enough already I remember thinking if you were the chosen one why does that mean your dress sense has to be so shit A celebration of teenage rebellion and resilience Anoushka Warden s debut play was directed by Royal Court Artistic Director Vicky Featherstone and Jude Christian **Snatched from My Mother**

Devinia Sookia, 2006-03 Snatched From My Mother Animals and birds are not an accident They are creatures of God who were put on earth just like human beings God had them in mind when he planned the creation of the universe They have a right to exist in this world just like any human being The problem is that sometimes men forget this Instead of believing that cats dogs and other animals are in the wrong place these people should start thinking seriously about God their creator His wishes and His reasons for creating such animals Man and Animal were created by God and for God Unless Man realizes this life is worthless Stories such as Titi s should be unheard of This story should be a lesson to mankind and should teach Man compassion and love for animals Pets are members of the family and have a right to be treated with love care and respect Devinia Sookia
