Me Of All People Alfred Brendel In Conversation With Martin Meyer:

Me of All People Alfred Brendel, Martin Meyer, 2002 In a series of dialogues with Martin Meyer Brendel speaks about his life the development of his career his music making his travels his poems and essays about his childhood in Zagreb adolescence in Graz and experiences as a young man in Vienna I was in Vienna but I was never a genuine Viennese about literature painting architecture and kitsch *A Pianist's A-Z* Alfred Brendel, 2013-09-03 This book distils what at my advanced age I feel able to say about music musicians and matters of my pianistic profession Ever since Alfred Brendel bid farewell to the concert stage after six decades of performing he has been passing on his insight and experience in the form of lectures readings and master classes This reader for lovers of the piano distils his musical and linguistic eloquence and vast knowledge and will prove invaluable to anyone with an interest in the technique history and repertoire of the piano Erudite witty enlightening and deeply personal *A Pianist's A to Z* is the ideal book for all piano lovers musicians and music aficionados rarely has the instrument been described in such an entertaining and intelligent fashion *Recorded Music in Creative Practices* Georgia Volioti, Daniel G Barolsky, 2024-07-09 Recorded Music in Creative Practices Mediation Performance Education brings new critical perspectives on recorded music research artistic practice and education into an active dialogue Although scholars continue to engage keenly in the study of recordings and studio practices less attention has been devoted to integrating these newer developments into music curricula The fourteen chapters in this book bring fresh insight to the art and craft of recording music and offer readers ways to bridge research and pedagogy in diverse educational academic and music industry contexts By exploring a wide range of genres methods and practices this book aims to demonstrate how engaging with recordings recording processes material artefacts studio spaces and revised music history narratives means we can promote new understandings of the past more creative performance in the present and freer collaboration and experimentation inside and outside of the recording studio enhance creative teaching and learning inform and stimulate reform of the institutional processes and structures that frame musical training and ultimately promote more diverse music curricula and communities of practice This book will be of value to educators researchers practitioners performers composers recordists students in music and music related fields recording enthusiasts and readers with a keen interest in the subject *A Marriage of Philosophy and Music* Erich Welling, 2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in *A Marriage of Philosophy and Music* It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science

art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art The Rest Is Noise Alex Ross,2007-10-16 Ross music critic for The New Yorker journeys from Vienna before the First World War to New York in the 1970s and 80s The result is not so much a history of 20th century music as it is a history of the 20th century through its music Partita for Glenn Gould Georges Leroux,2010-10-21 A privileged look into the life of a solitary artist with an extraordinary gift for communicating art to everyone *Mozart's Piano Music* William Kinderman,2006-11-30 Mozart s emergence as a mature artist coincides with the rise to prominence of the piano an instrument that came alive under his fingers and served as medium for many of his finest compositions In *Mozart s Piano Music* William Kinderman reconsiders common assumptions about Mozart s life and art while offering comprehensive and incisive commentary on the solo music and concertos After placing Mozart s pianistic legacy in its larger biographical and cultural context Kinderman addresses the lively gestural and structural aspects of Mozart s musical language and explores the nature of his creative process Incorporating the most recent research throughout this encompassing study Kinderman expertly surveys each of the major genres of the keyboard music including the four hand and two piano works Beyond examining issues such as Mozart s earliest childhood compositions his musical rhetoric and expression the social context of his Viennese concertos and affinities between his piano works and operas Kinderman s main emphasis falls on detailed discussion of selected individual compositions *The American Music Teacher* ,2003 Symphony ,2003 **The American Harp Journal** ,2003 **Choice** ,2002 **The Book Review Digest** ,2003 **Gramophone** ,2002 *The Gramophone* ,2002 **American Book Publishing Record** ,2003 **Books in Print Supplement** ,2002 **The Literary Review** ,2003 **Deutsche Nationalbibliografie** Die deutsche Nationalbibliothek,2004 Music and Musicians Evan Senior,1970 Radio Times ,1974
