Me Tanner You Jane:

Me Tanner, You Jane Lawrence Block, 2025-03-11 It's a jungle out there. Literally. At least for Evan Tanner, eternally sleepless, sometime superspy who finds himself in Africa on the trail of the AWOL ruler of tiny Modonoland. It seems the petty despot's gone missing and he's taken the state treasury along with him. No stranger to impossible missions and international peril, Tanner's been in over his head before. This time, however, he's in imminent danger of being buried alive. And it all has to do with the CIA, white supremacists, moderate revolutionaries, and a blond jungle bombshell named no joke Sheena. Tanner's always been a sucker for a pretty face and a curvaceous body, especially one that's wrapped in leopard skin. But this red-hot renegade daughter of a local missionary is a maneater. Which means this time Tanner's goose is well and truly cooked. Me Tanner, You Jane Lawrence Block, 2015-07-30 Presenting EVAN TANNER, the first series character created by Lawrence Block, bestselling author of *A WALK AMONG THE TOMBSTONES*. Ever since a shred of shrapnel did a number on his brain's sleep center, even Tanner has been awake 24/7. This gives him more time than your average underachiever. Time to learn the world's languages; he's fluent in Basque but has trouble with Chinese. Time to embrace the world's lost causes and irredentist movements: The Flat Earth Society, the League for the Restoration of Cilician Armenia, the Society of the Left Hand. Time to write term papers, theses for students with more money than knowledge. And most important, time to do his dreaming while he's wide awake. *Me Tanner You Jane* is Tanner's seventh adventure and the first to take him to the African continent. We first encounter Tanner as a man named Nikita says, "We will bury you," but the Nikita in question is not Premier Khrushchev, nor is he speaking metaphorically. Tanner is in Modonoland, and his comrades in the Pan African Unity League do, in fact, bury him alive. That he is able to disinter himself, that he winds up enlisted in a terrorist band under the aegis of the beautiful Sheena, that the menu at the group's triumphal feast contains a dish he's never had any wish to try, oh, it's a Tanner book isn't it? And haven't you learned to expect the unexpected? **Me Tanner, You Jane; Featuring Evan Tanner, the Most Unusual Spy who Ever Lived** Lawrence Block, A Jove Book, 1986 Step by Step Lawrence Block, 2009-05-19 From the revered New York Times bestselling author comes a touching, insightful, and humorous memoir of an unlikely racewalker and world traveler. Before Lawrence Block was the author of bestselling novels featuring unforgettable characters such as the hit man Keller, private investigator Matthew Scudder, burglar Bernie Rhodenbarr, and time traveler Evan Tanner, he was a walker. As a child, he walked home from school mostly because he couldn't ride a bike. As a college student, he walked until he was able to buy his first car, a deep blue 1950 Chevrolet coupe named Pamela, after the Samuel Richardson novel. As an adult, he ran marathons until he discovered what would become a lifelong obsession. Never mind if some people didn't think it was a real sport: racewalking. By that time, Block had already spent plenty of time walking through the city of New York. But racewalking ended up taking him all over the country, from New Orleans to Anchorage, from marathons in the punishing heat to marathons in the pouring rain. And along the way, as he began to pen the books that would make him a household name among suspense

fans all over the world he found that in life as in writing you just need to take one step after the other Through the lens of his adventures while walking in twenty four hour races on a pilgrimage through Spain and just about everywhere you can imagine Lawrence Block shares his heartwarming personal story about life s trials and tribulations discomforts and successes which truly lets readers walk a mile in the master of mystery s shoes **Gangsters, Swindlers, Killers, and Thieves**
