Wilson,2007-07 This is a true story part two of my story written to give hope to anyone who has or is now dealing with some form of abuse This book allows the reader to experience the painful process of reliving flashbacks memories and nightmares Opening old wounds so that I could heal required a lot of effort and determination The devastation of abuse at the hands of my parents and in other relationships and my steps to survive is clearly told My parents programming was so strong that my brothers and I continued playing our role s even as adults Everyone in the small town where I grew up thought we were a normal loving family The chain of people abuse can effect throughout our lifetime is endless This book is not a plea for sympathy My goal is increased awareness at the chain of injustice brought on by all forms of abuse Chains can be broken One link at a time Center of Gravity Shaunta Grimes,2025-06-25 In Shaunta Grimes middle grade novel Center of Gravity

Bonus, 2018-04-27 *Glory Days* is an action adventure story of fiction about a battle hardened Navy Seal Master Chief Jay Johnson who is contemplating retirement from his military service after a long exciting and highly decorated career. His old and dying ex commander bequeaths his classic yacht *Glory Days* to Jay and soon thereafter the high seas adventures begin. Death and destruction seem to follow in the wake of the *Glory Days*. Come follow the crew as they are plunged into a sea of chaos and carnage as they battle smugglers and terrorists in the Sea of Cortez. Keywords: Action Adventure Navy Seal Military Special Operations Terrorists Yachting Drug Smugglers CIA Homeland Security *Producers' Choice: Six Plays for Young Performers* Megan Barker, DJ Britton, James Graham, Sarah May, Simon Reade, Simon Stephens, 2010-10-15 Producers Choice Six Plays for Young Performers showcases some of the best plays for young people produced by the UK's leading theatre companies. The plays are ideal for young performers aged 13-25 and offer a diverse range of challenges, styles and subjects. The volume will prove essential for teachers and students of Drama and for youth drama groups. The plays include modern reworkings of classics such as Simon Reade's witty and brilliantly inventive adaptation of Lewis Carroll's much loved fantasy and DJ Britton's version of Sophocles' Theban plays the tragic Oedipus Antigone. Contemporary teenage issues are dealt with in Megan Barker's beautiful and uplifting *Promise* and Sarah May's *The Butterfly Club*. Simon Stephens' hit play *Punk Rock* set in a grammar school explores dislocation and aggression among sixth form pupils. James Graham's *Tory Boyz* is a fast paced political comedy about prejudice and ambition in Westminster. Each play features production notes and the volume is introduced by Paul Roseby, Artistic Director of the National Youth Theatre. For schools, youth theatre groups and drama colleges, this anthology of thematically and stylistically diverse plays will prove an invaluable resource. **Judy Upton**

**Plays 2** Judy Upton, 2021-09-23 Since her early breakthrough at the Royal Court Theatre in 1995 where she won the George Devine award and was joint winner of the Verity Bargate Award, Judy Upton has proven herself to be one of Britain's most prolific and diverse writers. In this her second collection we see work ranging from 1995 through to the 2000s and a collection of short work created during the 2020 Coronavirus pandemic. *Bruises* 1995 Royal Court Theatre London. This is no angry polemic but a subtly atmospheric piece. Neither writer nor director seeks easy answers in this coolly disturbing view of an issue usually hammered home with both fists. *Evening Standard*. *The Girlz* 1998 Orange Tree London. Judy Upton's ever promising career takes another small leap forward with this tantalising foray into characteristic Upton territory: the febrile world of foul mouthed disadvantaged young females from the south east. *Time Out*. *Sliding With Suzanne* 2001 Royal Court Theatre London. Judy Upton probably won't thank me for saying so but her new play *Sliding with Suzanne* comes over as that rarest of phenomena: a contemporary play with a Right wing agenda. If Margaret Thatcher went to see it she would be appalled by the language and much of the action but would I suspect end up applauding its sentiments. *Telegraph*. *Gaby Goes Global* 2009 New Wimbledon Theatre London. A wry and mischievous look at the benefits system and the world of fine art. *Gaby* is a downtrodden employment advisor at the Benefit Delivery Centre. She tries to get rich by promoting the struggling

artists who sign on But it is Gaby who grabs all the attention with the sort of exposure she hadn't bargained for Lockdown Tales 2020 a story of struggle hope even more struggle and then hope which provides a sensitive and sincere insight into the mind of a key worker during lockdown a must watch and is the epitome of the type of work that should be produced during lockdown A Younger Theatre *Is Anyone Listening, Does Anyone See Me?* Rene' Stanley, 2024-04-06 *Is Anyone Listening Does Anyone See Me* tells the story of a young boy who feels invisible and unheard leading him to disillusionment and negative behaviors But after 30 years he stumbles into a Florida church where he finds hope and connection through an act of kindness from a deacon This transforms his life as he becomes a beacon of hope for others showcasing the power of faith compassion and human connections The story serves as a reminder that there is always time to find one's voice and purpose and highlights the enduring strength of community Running for My Life Nicki, 2020-01-24 Grandma always said experience as the world's best teacher it can make you or it can break you Looking back on my life experience It made me the person I am today I have my self esteem back No longer will I ever be a victim of any kind of abuse I know now that I'm someone special I no longer feel guilty about the things I have no control over **Way To Go, Guinn** Annalisa Conti, 2017-09-12 Superhero Stories The W Series Volume 6 W awakes from daydreaming about the past to fall back to square one where we left our hero at the end of Episode 4 But now W only has a few seconds to escape from the impossible situation fate has constructed How will W accomplish this mission What will the superhero attempt to find more answer to questions from a forgotten past **The Last Time I Was Me** Cathy Lamb, 2008-05-01 I wrapped up my grandmother's tea cup collection and my mother's china then grabbed a violin I'd hidden away back in my closet that made me cry a gold necklace with a dolphin that my father gave me two weeks before he died of a heart attack when I was twelve and at midnight with that moon as bright as the flames I left Chicago When Jeanne Stewart stops at The Opera Man's Cafe in Weltana Oregon to eat pancakes for the first time in twelve years she has no idea she's also about to order up a whole new future It's been barely a week since she succumbed to a spectacularly public nervous breakdown in front of hundreds of the nation's most important advertising and PR people Jeanne certainly had her reasons her mother's recent death the discovery that her boyfriend had been sleeping with a dozen other women and the assault charges that resulted when Jeanne retaliated in a creative way against him involving condoms and peanut oil Now en route to her brother's house in Portland Jeanne impulsively decides to spend some time in picturesque Weltana Staying at a B & B run by the eccentric endearing Rosvita she meets a circle of quirky new friends at her court ordered Anger Management classes Like Jeanne all of them are trying to become better braver versions of themselves Yet the most surprising discoveries are still to come a good man who steadily makes his way into her heart and a dilapidated house that with love and care might be transformed into something wholly her own just like the new life she is slowly building piece by piece As heartfelt as it is hilarious *The Last Time I Was Me* is a warm wise novel about breaking down opening up and finally letting go of everything we thought we should be in order to
