Mean Business Creation Of Shawn Osullivan

Patricia Vertinsky, Jennifer Hargreaves

Mean Business Creation Of Shawn Osullivan:

Mean Business Stephen Brunt,1987 *Boxing in Black and White* Andrew Lindsay,2004-07-27 Professional sports in America offer numerous examples of equal opportunity and broken down racial barriers These developments call for pride and celebration Yet skin color continues to have an influence in how Americans experience sport From Al Campanis statement about the under representation of blacks in baseball front offices to the almost exclusively white ownership of professional teams one sees that sports though admirably more equitable than other societal institutions are hardly a colorblind American pursuit Choosing the racially charged sport of boxing for investigation the author has compiled dozens of statistics measuring whether or not America's racial majority still yearns for a white champion a Great White Hope Drawing upon data from The Ring Magazine and its annual record books this study endeavors to bolster or refute the popular perception in boxing circles that white fighters of lesser ability are helped along to their sports elite level as a result of being promotional gold in the eyes of the public **Canadian Book Review Annual** ,1997 *Canadiana* ,1988 **Book Review Digest** ,1988 *Mean Business* Stephen Brunt,1988 *CM* ,1988 **Physical Culture, Power, and the Body** Patricia Vertinsky,Jennifer Hargreaves,2006-11-28 During the past decade there has been an outpouring of books on the body in society but none has focused as specifically on physical culture that is cultural practices such as sport and dance within which the moving physical body is central Questions are raised about the character of the body specifically the relation between the natural body the constructed body and the alien or virtual body The themes of the book are wide in scope including physical culture and the fascist body sport and the racialised body sport medicine health and the culture of risk the female Muslim sporting body power and politics experiencing the disabled sporting body embodied exhibitions of striptease and sport the social logic of sparring sport girls and the neoliberal body Physical Culture Power and the Body aims to break down disciplinary boundaries in its theoretical approaches and its readership The author's multi disciplinary backgrounds demonstrate the widespread topicality of physical culture and the body **Body & Soul** Loïc J. D. Wacquant,2006 In the late 1980s Wacquant a white French born French and American sociology graduate student entered the Woodlawn gym on 63rd Street in Chicago and began training as a boxer This text invites us to follow Wacquant's immersion into the everyday world of Chicago's boxers **Canadian Books in Print** ,1994 **The Canadian Encyclopedia: Min-Sta** James H. Marsh,1988 **The Broadview Book of Sports Anecdotes** Brendan Connor,1989 This diverse collection includes descriptions of Sir Edmund Hillary's climb of Mount Everest the feats of Olympic athletes the tight purse of Harold Ballard and the exploits of racecar driver Gilles Villeneuve There are over 20 sports represented with the greatest emphasis on hockey *Gretzky's Tears* Stephen Brunt,2014-05-01 From his standout youth where he honed his skills on a backyard rink to his unlikely jump to the pros at the age of 17 this biography chronicles Wayne Gretzky's ascension to the greatest hockey player of all time to his shocking trade from the Edmonton Oilers to the Los Angeles Kings in 1998 an event that rocked

hockey fans across North America This chronicle reveals for the first time the true story behind the deal as well as Gretzky's important role in making the trade happen From the press conference where the trade was announced and where Gretzky wept this work notes how the Great One could have been crying tears of joy as he realized his life was about to get a whole lot better playing for more money in a California city that would be a perfect home for him and his glamorous new actress wife

Commodifying Bodies Nancy Scheper-Hughes, Loïc Wacquant, 2002-10-18 With rapid developments in reproductive medicine transplant ethics and bioethics a new ethic of parts has emerged in which the body is increasingly seen as a commodity which can be bartered sold or stolen This book combines perspectives from anthropology and sociology to offer compelling new readings of the body

Body & Soul Loïc Wacquant, 2003-12-11 When French sociologist Loïc Wacquant signed up at a boxing gym in a black neighborhood of Chicago's South Side he had never contemplated getting close to a ring let alone climbing into it Yet for three years he immersed himself among local fighters amateur and professional He learned the Sweet science of bruising participating in all phases of the pugilist's strenuous preparation from shadow boxing drills to sparring to fighting in the Golden Gloves tournament In this experimental ethnography of incandescent intensity the scholar turned boxer fleshes out Pierre Bourdieu's signal concept of habitus deepening our theoretical grasp of human practice And he supplies a model for a carnal sociology capable of capturing the taste and ache of action Body Soul marries the analytic rigor of the sociologist with the stylistic grace of the novelist to offer a compelling portrait of a bodily craft and of life and labor in the black American ghetto at century's end

Punctuation Revisited Richard Kallan, 2020-03-25 Punctuation Revisited is an advanced comprehensive guide to the importance of punctuation in conveying meaning and augmenting the power of a message Richard Kallan provides guidance on how to structure sentences accurately and in a manner that enhances their readability and rhetorical appeal This book discusses in fine detail not just when and how to employ specific punctuation marks but the rationale behind them It also notes when the major academic style manuals differ in their punctuation advice These unique features are designed to benefit beginning intermediate and advanced students of standard punctuation practice Punctuation Revisited is a wonderful resource for students of composition and writing an essential read for writing center tutors and faculty as well as the perfect addition to anyone's professional library

International Books in Print, 1991

[The Way It Looks from Here](#) Stephen Brunt, 2010-06-11 In the first ever anthology of its kind Canada's premier sportswriter Globe and Mail columnist and author of the internationally acclaimed bestseller Facing Ali brings together the best writing on sport in this country with a strong contemporary flavour It's all here classic reports on Canada's great sporting triumphs from Joe Carter's World Series winning home run for the Toronto Blue Jays in 1993 to the excitement of the back to back men's and women's hockey gold medals in Salt Lake City Stephen Brunt gives an entire section to writers who unlike those covering other beats must work tightly by the clock submitting their stories just as soon as the action for the day is over But he has also chosen our best writers more thoughtful

pieces on our national obsessions such as Ed Willes on the WHA's seven tumultuous years and Wayne Johnston on the Original Six and a good sampling of the great sportswriters such as Trent Frayne, Peter Gzowski and Milt Dunnell. The net effect is an examination of the deep role sport plays in our lives and imaginations in our sense of self and nationhood. Stephen Brunt has cast his net widely. He includes superb stories of lower profile Canadian sports such as wrestling and horse racing even Monster Truck battles and allows space for his own unequalled and unforgettable profiles of Muhammad Ali and Mike Tyson as well as his post mortem on Ben Johnson's fall from grace. Full of triumph and heartbreak, great writing and great passions and a few wonderful surprises, this book will be essential reading for every serious sports fan. Including Ian Brown on the stud horse business, Christie Blatchford on the 2003 Women's Olympic Hockey Gold, Rosie DiManno on the Men's James Christie on Ben Johnson's 1988 Olympic triumph in Seoul, Michael Faber on Pat Burns, Red Fisher on Lemieux and Gretzky at the 1987 Canada Cup, Trent Frayne on Canadian Open golf champ Ken Green deciding to play Sun City during apartheid, Bruce Grierson on Canada's best squash player Peter Gzowski on the Oilers with Gretzky, Tom Hawthorn on John Brophy's last brawl, Brian Hutchinson on Owen Hart's widow's revenge, Wayne Johnston on the Montreal Canadiens, Guy Lawson on curling, Allan Maki on the 1989 Hamilton Saskatchewan Grey Cup, Dave Perkins on the biggest home run in World Series history, Mordecai Richler on snooker's Cliff Thorburn, Steve Simmons on Donovan Bailey, Mike Ulmer on Cujo's charm and more.

Canadian Periodical Index, 1998 **Quill & Quire**, 1987
