## **Meaning Communication And Understanding In The Classroom Aebury Studies In Philosophy:**

Philosophy of Communication Brian G. Chang, Garnet C. Butchart, 2012-08-10 Classical modern and contemporary philosophical writings that address the fundamental concepts of communication To philosophize is to communicate philosophically From its inception philosophy has communicated forcefully Socrates Plato and Aristotle talk a lot and talk ardently Because philosophy and communication have belonged together from the beginning and because philosophy comes into its own and solidifies its stance through communication it is logical that we subject communication to philosophical investigation This collection of key works of classical modern and contemporary philosophers brings communication back into philosophy's orbit It is the first anthology to gather in a single volume foundational works that address the core questions concepts and problems of communication in philosophical terms The editors have chosen thirty two selections from the work of Plato Leibniz Hegel Husserl Heidegger Wittgenstein Benjamin Lacan Derrida Sloterdijk and others They have organized these texts thematically rather than historically in seven sections consciousness intersubjective understanding language writing and context difference and subjectivity gift and exchange and communicability and community Taken together these texts not only lay the foundation for establishing communication as a distinct philosophical topic but also provide an outline of what philosophy of communication might look like
