

The background of the image is a photograph of a sunset over the ocean. The sky is a warm, golden-orange color, and the sun is low on the horizon, creating a bright glow. The ocean is dark blue with white foam from the waves. In the foreground, there are dark, jagged rocks. The overall mood is peaceful and contemplative.

The meaning of life is
that it is to be lived.

Meaning Of Life And Other Stories:

My Life, and Other Stories Anton Pavlovich Chekhov, 1920 *The Source of Life and Other Stories* Beth Bosworth, 2012-09-24 Post divorce dating is one more cause for celebration or a quick call in to the police in Beth Bosworth's revelatory new book *The Source of Life and Other Stories*. The spine of this collection is a series of linked stories about Ruth Stein, a Brooklyn author whose first book has exposed her father's abuses while the voice here speaking across a lifetime ranges from bittersweet to humorous to lethal. In other stories Bosworth's narrators, a mother left to care for her son's suicidal dog, an editor haunted by a dog-eared manuscript, seem to grab hold of the reins and run off with their fates. Meanwhile Bosworth explores the extended family, the bonds of friendship, an apocalyptic Vermont, the rank yet redeemable Gowanus Canal, also rites of passage, race relations, divorce, middle-aged romance, dementia, funerals, alcoholism, and the Jewish religion. Reality is just another stumbling block for Bosworth's characters who might help themselves but don't always choose to. There are leaps of faith here nonetheless as the collection dispenses a kind of narrative psychotropic for survival and redemption with a chaser of humor mixed in.

Still Life and Other Stories Junzo Shono, 2010-10-29 The 13 stories in this collection by Japanese writer Junzo Shono are linked by the daily life of a husband and wife and their children. The stories are like the back of a tapestry where threads seem to cross randomly. Births, weddings, school activities, a suicide attempt all occur out of view. Readers understand crucial events through ordinary days. But these quiet tales have a cumulative power. Toys, birds, and playing cards relate to human lives as portents, parallels, parodies. The mother with her secret sorrows and the puzzled, bemused father savor reveries and survive unexplained misfortunes. Shono's vivid snapshot technique, the layering of images, events, and conversations, creates an effect Western readers may find more akin to an Ozu film crossed with haiku than to traditional short stories.

My Life and Other Stories Bob Elles,2013-05-14 Intelligence comes from ignorance as wisdom comes from naivet and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that Ive had the opportunity to absorb and learn about aspects of life that Im sure I wouldnt have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you dont then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life Ill even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after youve read this book I know that doesnt sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read these chapters stories compiled within this book Are they all true Mostly with only the most embarrassing events removed An old retired Air Force fighter pilot once told me I have secrets only God and I know and thats the way it will remain
