The Meaning of Marxism G. Cole, 2010-11-01 This book is largely based on *What Marx Really Meant* which was written by Cole and published in 1934 It is a revaluation of Marx's essential ideas and methods in relation to contemporary social structures and developments and considers the bearing of Marx's theories on the structure of social classes which altered greatly since he formulated his account of them

The Christian Significance of Karl Marx Alexander Miller, 1952

Karl Marx and the Philosophy of Praxis Gavin Kitching, 2015-04-17 In this major study first published in 1988 Professor Kitching builds on recent scholarship on Marx and Wittgenstein to provide an incisive readable account and critique of the whole of Marx's work He presents the philosophical economic and political Marx as one thinker and argues that the key to understanding Marx is his commitment to a philosophy of praxis This sees thought as just part of that purposive activity or praxis which distinguishes human beings from other creatures This is the first book to analyse all of Marx's thought from a Wittgenstein perspective in doing so it clarifies and deepens our understanding of Marx

The Bourgeois Charm of Karl Marx & the Ideological Irony of American Jurisprudence Dana Neacsu, 2019-12-09 The Bourgeois Charm of Karl Marx it is negotiated by S1 and those theories interpellate S2 according to their own private and public subjectivity which covers their ideology Negotiated meaning is always a surprise to both S1 and S2 surprise which is both ironic and ideological The book has ten chapters an index and a list of references

Karl Marx on Society and Social Change Karl Marx, 2013-07-19 This volume presents those writings of Marx that best reveal his contribution to sociology particularly to the theory of society and social change The editor Neil J Smelser has divided these selections into three topical sections and has also included works by Friedrich Engels The first section The Structure of Society contains Marx's writings on the material basis of classes the basis of the state and the basis of the family Among the writings included in this section are Marx's well known summary from the Preface of *A Contribution to a Critique of Political Economy* and his equally famous observations on the functional significance of religion in relation to politics The second section is titled The Sweep of Historical Change The first selection here contains Marx's first statement of the main precapitalist forms of production The second selection focuses on capitalism its contradictions and its impending destruction Two brief final selections treat the nature of communism particularly its freedom from the kinds of contradictions that have plagued all earlier forms of societies The last section The Mechanisms of Change reproduces several parts of Marx's analysis of the mechanisms by which contradictions develop in capitalism and generate group conflicts Included is an analysis of competition and its effects on the various classes a discussion of economic crises and their effects on workers and Marx's presentation of the historical specifics of the class struggle In his comprehensive Introduction to the selections Professor Smelser provides a biography of Marx identifies the various intellectual traditions which formed the background for Marx's writings and discusses the selections which follow The editor describes Marx's conception of society as a social system the differences between functionalism and Marx's theories and the

dynamics of economic and political change as analyzed by Marx **Karl Marx's Social and Political Thought** Bob Jessop, Russell Wheatley, 1999 Bearing Meaning Robbie Kahn, 1998 **Karl Marx and the Declaration of Independence** Paul Eidelberg, 1984 The Study of the Meaning of Life Zhengyu Sun, 2024-10-28 Based on the revelation and analysis of the social self consciousness contained in the individual self consciousness of the meaning of life the book discusses the human life world spiritual world cultural world and meaning world Then it states the life world modes of thought values ideas aesthetic consciousness and ultimate concerns of modern humans It also systematically expounds on the cultivation the truth the nurture the sublimation the support the tension and the source of the spiritual home in perspectives of education science art philosophy theory mentality and ideals Constructing a fulfilling spiritual home for man is the realistic meaning of this book **Shakespeare's Influence on Karl Marx** Christian A. Smith, 2021-12-28 This volume presents a close reading of instances of Shakespearean quotations allusions imagery and rhetoric found in Karl Marx's collected works and letters which provides evidence that Shakespeare's writings exerted a formative influence on Marx and the development of his work Through a methodology of intertextual and interlingual close reading this study provides evidence of the extent to which Shakespeare influenced Marx and to which Marxism has Shakespearean roots As a child Marx was home schooled in Ludwig von Westphalen's little academy as it were which was Shakespeare and literary focused The group included von Westphalen's daughter who later became Marx's wife Jenny The influence of Shakespeare in Marx's writings shows up as early as his school essays and love letters He modelled his early journalism partly on ideas and rhetoric found in Shakespeare's plays Each turn in the development of Marx's thought from Romantic to Left Hegelian and then to Communist is achieved in part through his use of literature especially Shakespeare Marx's mature texts on history politics and economics including the famous first volume of *Das Kapital* are laden with Shakespearean allusions and quotations Marx's engagement with Shakespeare resulted in the development of a framework of characters and imagery he used to stand for and anchor the different concepts in his political critique Marx's prose style uses a conceit in which politics are depicted as performative Later the Marx family Marx Jenny and their children was central in the late 19th century revival of Shakespeare on the London stage and in the growth of academic Shakespeare scholarship Through providing evidence for a formative role of Shakespeare in the development of Marxism the present study suggests a formative role for literature in the history of ideas
