Measuring Student Information Use A Guide For School Library Media Specialists:

Measuring Student Information Use Jacqueline C. Mancall, M. Carl Drott, 1983 Evaluating the School Library Media Center Nancy Everhart Ph.D., 1998-08-15 Everhart provides practical guidelines and ready to use forms for evaluating a school library media center as well as important results derived in other studies She includes qualitative and quantitative techniques for the areas of curriculum personnel facilities collections usage and technology She also gives step by step instructions on how to create in house surveys conduct interviews and use observation to gather useful data Conduct research collect statistics and evaluate your program with this useful resource Everhart provides practical guidelines and ready to use forms for evaluating a school library media center as well as important results derived in other studies She includes qualitative and quantitative techniques for the areas of curriculum personnel facilities collections usage and technology She also gives step by step instructions on how to create in house surveys conduct interviews and use observation to gather useful data For example there are directions on how to assess information literacy with rubrics In addition each chapter gives detailed references a list of further readings applicable Web sites and dissertations A quick and easy guide to justifying and supporting your SLMC operations and effectiveness this book is invaluable to all school library media specialists It will also be of interest to school library media supervisors and researchers Collection Management for School Libraries Joy McGregor, Ken Dillon, James Henri, 2003 Co published with Charles Sturt University Centre for Information Studies School Library Media Quarterly, 1989 School Library Media Skills Test Anne M. Hyland, 1986

The Evolution of Inquiry Daniel Callison, 2015-05-26 Defining the progression toward inquiry learning this book provides an extensive overview of the past five decades and the evolution of inquiry in science history language arts and information literacy studies Information inquiry is a basic skill for those who examine information as a science and its principles can be applied across the K 12 curriculum Built around reflective reviews of more than two dozen articles from School Library Media Activities Monthly this helpful book shows the evolution adoption and application of the inquiry learning process to the school library teaching learning environment Four levels of inquiry controlled guided open and free are explored in association with the emerging national Common Core curriculum and the Standards for the 21st Century Learner from the American Association of School Librarians With the growing interest in the concept of inquiry and inquiry learning you may find yourself needing to distinguish between the existing models and their applications To help you do that the book provides you with rich historical context that clarifies the models and it also projects future applications of inquiry and learner centered teaching through school information literacy programs These new applications such as graphic inquiry argumentation for inquiry and the student as information scientist offer tangible examples you can use to enrich the expanding information literacy curriculum **Instruction in School Library Media Center Use (K-12)** Thomas L. Hart, 1985 Covers tests library media skills alphabetization parts of a book Dewey Decimal System the card catalog research

methods and reference tools and lists additional source materials Taxonomies of the School Library Media Program David V. Loertscher,1988 Explores the role for the modern school library media center Includes planning guides and evaluative instruments **School Library Media Annual** Jane B. Smith,1989-09 **Unesco Journal of Information Science, Librarianship and Archives Administration** Unesco,1983 **American Reference Books Annual** Bohdan S. Wynar,1984 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering The Research of School Library Media Centers Blanche Woolls,1990 *Managing the School Library Resource Center* James Henri,Edward R. Monkhouse,Claire Louise Williams,1991-06 This collection of case studies covers a wide range of issues from collection development to communication from curriculum collaboration to resource management and includes overviews suggested key readings and discussion points The work is designed to stimulate the reader to interpret understand and solve problems that most teacher librarians face but the underlying issue is getting things done through people With an extensive bibliography CD-ROM for Librarians and Educators Barbara Sorrow,Betty S. Lumpkin,1996 Arranged by subject this greatly expanded and completely updated edition of one of our most popular works provides a descriptive annotation of over 800 up from 300 educational resources available on CD ROM A basic introduction to this still relatively new technology is given as is a basic collection development policy Each entry includes title producer format subject price grade level K 12 or general audience hardware and software required distributor price and a full description A listing of CD ROM distributors is also provided **Hawaii School Library Programs** Hawaii. Office of Instructional Services. Multimedia Services Branch,1983 *Resources in Education* ,2001-04 *School Libraries 3.0* Rebecca P. Butler,2015-06-18 This textbook for school library administration courses is written by a professor who has taught this course at least once a year for the past twenty years Technology is interwoven throughout the book and not listed as a separate chapter or book section This is because the school librarian of today and certainly the school librarian of tomorrow is working in an environment of web resources multimedia mixed methods and varying programs and services Major chapters cover the various roles of the school librarian curricular standards and guidelines policies and procedures budgeting facilities personnel services programming ethics advocacy and evaluation Sample policies procedures and plans make this book valuable to both new and experienced school librarians The Many Faces of School Library Leadership Sharon Coatney,Violet H. Harada,2017-03-29 Completely revised with even more contributions added by practicing school librarians this book further examines the responsibility to lead in many areas and identifies the real world day to day application of established theory and best practices In today s educational landscape school librarians need to lead the way in many areas including advocacy literacy technology curriculum vision collaborative instruction and intellectual freedom All of these areas are vital to building and sustaining a school library program that enhances and encourages student achievement as well as to providing enhanced services to students and faculty This revised edition of *The Many Faces of School Library*

Leadership offers invaluable insights from recognized leaders in the field of school librarianship that detail leadership roles embraced by accomplished practitioners and consider the research regarding best practices. An essential read for practicing school librarians as well as for pre-service school librarians, it offers today's school librarians actionable advice for strengthening their roles, underlining their value, and protecting their future, all while boosting student learning and achievement. The expert guidance and perspectives in this book will bolster those who are facing enormous challenges to meet them and allow school library staff to protect their jobs and to save school library programs from extinction.
