New Directions In Contemporary Sociological Theory

Anthony Elliott

New Directions In Contemporary Sociological Theory:

New Directions in Contemporary Sociological Theory Joseph Berger, Morris Zelditch Jr., 2002-07-31 Written by eminent sociologists this book introduces and assesses some of the most influential recent sociological theories Each chapter explains the theory and describes a related program of empirical research Chapters are authored by the actual founders and or leading exponents of these theoretical programs many chapters contain a description of the inception growth and present status of the theoretical program The book covers a broad range of sociological concerns from the investigation of power and status processes to social movements and revolutions to organizational and institutional structures to world system analysis Accessibly written for a wide sociological audience this book is an invaluable introduction for undergraduates and graduates to sociology s most important theoretical advances

New Directions in Contemporary Sociological Theory Joseph Berger, Morris Zelditch (Jr.), 2002 This book introduces some of the most influential recent sociological theories each covered in an essay written by the theory s founder or by a leading exponent Presented in nontechnical language each essay reviews the key positions and supporting research many incorporate discussion of critical or opposing positions This unique book serves as an invaluable advanced introduction or review for graduate or upper level students who want to gain an understanding of important theoretical advances Visit our website for sample chapters

Contemporary Social and Sociological Theory Kenneth Allan, 2006 An upper division undergraduate social theory textbook that introduces the student to the multitude of different theorists This book helps students grasp theories and their relevance and application to modern life

New Directions in Social Theory Kate Reed, 2006-06 Who makes up the canon of sociology and who doesn t Does sociology need a canon in the first place Offers an innovative and passionate contribution to debates on the history and development of sociology and the exclusion of theorists who are female black or both from the mainstream of social theorizing With compelling biographical sketches bringing the dynamics behind the canon to life Kate Reed focuses sharp analysis on the exclusion of theorists on race and gender from important debates on inequality

Contemporary Sociological Theory Jonathan H. Turner, 2012-09-20 Written by award winning scholar Jonathan Turner Contemporary Sociological Theory covers the range of diversity of theory in nine theoretical traditions and variants of theoretical approaches in these traditions The result is a comprehensive review of present day theorizing in sociology covering functional evolutionary ecological conflict interactionist exchange structuralist cultural and critical theories and the major proponents of these theories Moreover for each theoretical tradition its origins are examined in a separate chapter with an eye to how classical theorists influenced the work of key contemporary scholars This book will serve as a valuable resource for those readers seeking in depth and comprehensive coverage of contemporary traditions in their historical contexts Unlike many texts coverage is comprehensive and deep The theories and their origins are examined in detail so that readers can fully understand the origins and present profile of theories in present day sociology Unlike many texts that skim over theories

on the surface this book seeks to unlock for the reader their underlying structure of each theory The book is written in a modular format so that theories and traditions can be examined in any order and in many diverse combinations If desired only the contemporary theories can be read without attention to their historical contexts or the reverse is true if readers want to understand the historical origins of a particular theoretical tradition Since Jonathan Turner is an active theorist in his own right he brings to the book an appreciation of how theories are created as an insider rather than as only a commentator on theory As such he is able to bring out the underlying assumptions structure and form of a theory in new and interesting ways for casual readers and scholars alike Handbook of Contemporary Sociological Theory Seth Abrutyn, 2016-06-22 This Handbook provides the hidden common threads that tie sociological inquiry together and featuring eminent scholars it separates itself from its predecessors in substance and organization Rather than rehashing old debates or longingly gazing at the past this book presents sociologists with new ways of conceptualizing the organization and presentation of sociological theory At the heart of this Handbook's vision is the twin goals of making theory a viable enterprise by reconceptualizing how we teach theory and keeping theory closely tied to its empirical applications Three strategies are offered 1 Elucidating how classic issues like integration or interaction are interrogated today 2 Presenting a coherent vision of the social levels of reality that theorists work on such as communities groups and the self as well as how the coherence of these levels speaks to the macro micro link and 3 Theorizing the social world rather than celebrating theorists or theories that is one can look at how theory is used holistically to understand the constraints the social world places on our lived experience or the dynamics of social change Hence in the second decade of the 21st century it has become clear that sociology is at a crossroads as the number of theorists and amount of theory available is increasingly unmanageable and unknowable by the vast majority of professionals and students As such this Handbook of Contemporary Sociological Theory presents the novice and the expert with the a roadmap for traversing this crossroad and building a more coherent robust and cumulative sociology

Contemporary Sociological Theory Steven Loyal, Sinisa Malesevic, 2020-10-12 Introducing you to the most important thinkers and schools of thought in contemporary sociological theory from Parsons and Merton to the Frankfurt School to Foucault Bourdieu Giddens and Hochschild this accessible textbook firmly locates key ideas in social political and historical context By doing so it helps you to understand the development of central sociological concepts and how they can help us understand the contemporary world The book includes Lively biographical sections so you can get to know each thinker Clear and easy to understand accounts of each theorist's arguments and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive textbook brings the diverse field of contemporary sociological theory to life Essential reading for all students of Sociology and Sociological Theory *Contemporary Sociological Thinkers and Theories* Sandro Segre, 2016-05-13 This book offers a comprehensive overview of the major theoretical perspectives in contemporary sociology covering schools of thought or intellectual movements within the discipline as well as the work of

individual scholars The author provides not only a rigorous exposition of each theory but also an examination of the scholarly reception of the approach in question considering both critical responses and defences in order to reach a balanced evaluation Chapters cover the following theorists and perspectives Alexander Bourdieu Ethnomethodology Exchange Theory Foucault Giddens Goffman Habermas Luhmann Merton Network and Social Capital Theory Parsons Rational Choice Theory Schutz and Phenomenalism Structuralism Symbolic Interactionism An accessible and informative treatment of the central approaches in sociology over the course of the last century this volume marks a significant contribution to sociological theory and constitutes an essential addition to library collections in the areas of the history of sociology and contemporary social theory

Modern Sociological Theory George Ritzer, Jeffrey Stepnisky, 2017-01-23 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Eighth Edition of Modern Sociological Theory by George Ritzer and Jeffrey Stepnisky provides a comprehensive overview of the major theorists and theoretical schools from the Structural Functionalism of early 20th century through the cutting edge theories of the late 20th and early 21st centuries The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of contemporary thinkers

Contemporary Social Theory Anthony Elliott, 2021-11-29 Now in its third edition Anthony Elliott's comprehensive stylish and accessible introduction continues to be the indispensable guide to social theory Fully revised and updated the book examines the major theoretical traditions from the Frankfurt School to posthumanism and from feminism and post structuralism to globalization theory and beyond Classical debates in social theory are given careful appraisal as are the major contemporary theorists including Jurgen Habermas Judith Butler Anthony Giddens Pierre Bourdieu Julia Kristeva Slavoj Žižek Manuel Castells Ulrich Beck Zygmunt Bauman Shoshana Zuboff and Bernard Stiegler This edition includes a new chapter on the digital revolution with consideration of how digital technologies in general and artificial intelligence in particular are reshaping societies Like its predecessors the third edition of Contemporary Social Theory combines stylish exposition with reflective social critique and original insights This volume will prove a superb textbook with which to navigate the twists and turns of contemporary social theory as taught in the disciplines of sociology politics cultural and media studies and many more
