New Englands Riotous Revolution New Englands Collectible Classics:

New England's Riotous Revolution Robert Ellis Cahill, 1987 George Twelvetreves Hewes wasn't a midget but he was close. After his funny exploits during the American Revolution he wrote a journal and the author uses this journal to weave his tantalizing true story of those great and little known characters who won our independence from England. People like Revere, John Adams and Hancock were not considered heroes by their co-patriots whereas the eccentric Otis and the crafty Warren were the real leaders; their names are almost forgotten now. A real insight into the courage, humor and day-to-day lives of our revolutionaries.

New England's Ancient Mysteries Robert Ellis Cahill, 1993 Called the Reader's Digest of New England Archaeology by experts in the field, this book covers all finds and sites by amateur and professional ancient artifact hunters since America was first settled. Hundreds of messages were cut into stone by unknown ancient settlers. Carved faces well made homes of rock Celtic ritual sites, dolmens and other ancient remnants are scattered throughout the New England states, making it quite apparent that visitors from other lands lived here hundreds of years before Columbus discovered America. Ancient coins, weapons, lamps, containers and art objects have been uncovered as well, all well documented and described with photos in this fascinating book.

New England's Pirates and Lost Treasures Robert Ellis Cahill, 1980 Most 17th and 18th century pirates came from New England and New York. They spent winters in the tropics pilaging and came north to rob in the summer months. Most of their treasures were buried here closer to their homes yet little has been uncovered. This book tells about the most notorious pirates who frequented the New England coast including Kidd and Blackbeard and describes treasure thus far found mostly on the outer islands and where unfound treasures might be uncovered.

New England's Strange Sea Sagas Robert Cahill, 1990 The Doryman rowed hundreds of miles in a blizzard until his hands froze off; a ship smashes against the rocky coast of Maine and the crew begins eating the cook; a captain ships a rock-hard cargo to the tropics where it begins to disappear and no one will touch it because it burns their skin; what is it? These and many more strange sea stories of fact including Flotsam and Jetsam and an ongoing curse on submarines.

New England's Mad & Mysterious Men Robert Ellis Cahill, 1990 You've never met such wonderful nor wacky men as you'll be introduced to in this book: Mad Dog McGovern who was a coward but during the last moments of his life became one of the greatest heroes who ever lived; Mike Martin the greatest and most humorous highwayman of all time; Timothy Dexter who insisted on watching his own funeral and struck his wife when she didn't cry; plus many more true stories of fascinating men including Johnny Appleseed and Paul Bunyan.

The Old Irish of New England Robert Ellis Cahill, 1974 Most of the servants who came to the New World with the Pilgrims and Puritans were Irish and Scots Irish yet their names were not recorded for posterity. The Irish snuck into Boston by the hundreds in the 1600s and by the thousands in the early 1700s. The famed Boston Massacre was really an Irish Massacre since most who participated on both sides were Irish. The greatest American privateersman was Irish and many of Washington's generals were Irish as were a high percentage of his troops. If you're of Irish blood, this is the

book for you **Olde New England's Curious Customs and Cures** Robert Ellis Cahill,1990 This book presents hundreds of old Indian rituals and remedies plus the unusual and sometimes practical cures of our Colonial quack doctors Witches recipes for healing and the miracle ingredients of Kickapoo Juice a century old cure all for all ailments will bring a tear to your eye and a lump in your throat **New England's Witches and Wizards** Robert Ellis Cahill,1992 Funny and fearful true stories of witches innocent victims and their accusers in the 17th 18th and 19th centuries Curses that seemingly worked their magic and cures by healers that begot them the gallows Emphasis is on Salem Village in 1692 where 20 accused of witchcraft were executed **New England's Cruel and Unusual Punishments** Robert Ellis Cahill,1994 People were burned at the stake in New England and whipping was a common punishment Hangings were gala affairs where food and drink was served and pelting a neighbor who sat in the stocks with rocks and filth from the street was a weekly form of recreation There were strict rules and regulations for all 17th and 18th century Pilgrims and Puritans and to break a rule might mean death Yet children women and anyone of a different religion were treated quite cruelly whether they broke the rules or not Almost every New England family owned at least one black and sometimes one white slave prior to the Revolution and the slave's fate was at the whim of his or her master This book reveals some old and well kept secrets that will surprise you **New England's Ghostly Haunts** Robert Ellis Cahill,1982 The best seller in the series Real hauntings experienced by the author and his friends including the story of America's first ghost who was seen by hundreds of people in Maine There is a chapter on New Hampshire's Good Ghosts and another on Where to go ghost hunting Do not read at night
