you've read *Why Does He Do That* it may be hard to see the truth of what is happening to you. You may feel overwhelmed by confusion, loss, and fear, and find yourself looking away from the truth and falling back into traumatic patterns. What you need is something that is there for you every day to help you make a long series of little changes that will ultimately add up to a big one. Like a constant friend, this collection of meditations is a source of strength and reassurance designed to speak to women like you—women in relationships with angry and controlling men. It is a tool you can use to learn how to value and respect yourself even when your partner makes it very clear that he does not. With seven themes designed to encourage and inspire, *Daily Wisdom for Why Does He Do That* will help you digest what is happening one day at a time so that you can gain clarity, safety, and freedom. You will see the truth in your destructive relationship. You and your children will survive. And with these encouragements, even tomorrow will be a better day than today.

The Book of Mastery Paul Selig, 2016-01-05

The first book in channeler Paul Selig's widely anticipated *Mastery Trilogy* leads you into an unprecedented journey of self-development at once building your personal excellence and your ability to improve life for others. The channeled literature of Paul Selig, who receives clairaudient dictation from unseen intellects called the Guides, has quickly become the most important and celebrated expression of channeling since *A Course in Miracles* rose to prominence in the 1970s. Selig's three previous books, *I Am the Word*, *The Book of Love and Creation*, and *The Book of Knowing and Worth*, have won a growing following around the world for their depth, intimacy, and psychological insight. Now Selig embarks upon an extraordinary new trilogy on the Teachings of Mastery with his inaugural volume, *The Book of Mastery*. *The Book of Mastery* provides a deeply practical prescription for heightening your abilities, aptitudes, and sense of personal excellence. The Guides' teachings go much further, however, instructing you how to improve life for others and ultimately for global humanity. As the Guides themselves put it: "We will tell you this: No one who reads these books will be left unchanged. They will be like molecular systems that reinvigorate and realign and reclaim the reader to themselves in their worth, in their identity, and beyond that, in their physical realm." Underline physical realm if you like. Because the physical realm that we teach in is about to go back to the stone ages unless you all get it together.
