biographer shares an enlightening meditation on the need for sacrifice in contemporary Christianity Michael Phillips began writing *A Sacrifice of Obedience* in 2002 more than a decade before it was published As the world moved further into the twenty first century the message of his book took on a more profound urgency Christians everywhere including Phillips himself seem resistant the imperatives of sacrifice and obedience Yet they remain the bull s eye of the Christian faith Now after revisiting and expanding on his original manuscript Phillips shares his candid and perceptive thoughts on the difficult yet deeply rewarding life all Christians are called to live **Practical Essential Christianity** Michael Phillips,2013-12-14 This concise yet thorough analysis of core Christian principles cuts through doctrinal debates to illuminate the essentials of faith Much of Christendom functions on the basis of formulas catechisms recipes of spirituality and widely varying lists of what is considered acceptable doctrine This brief discussion simplifies the vast scope of Christian truth by identifying eight essential principles that can be embraced and practiced by all Christians and churches across the spectrum of belief Devotional author Michael Phillips uses these universal truths as a springboard for investigating the fundamentals of the Christian faith for both beginner and theologian simple yet life changing and profound He also includes a parallel exploration of several common pitfalls that have infiltrated the church through history as counterfeit indicators of spirituality *Getting More Done in Less Time* Michael Phillips,1982-01-01 Learn to arrange your life so that you can focus on what you truly want to accomplish with this practical guide to everyday productivity Too many of us find it nearly impossible to keep up with our own busy schedules As a result we are constantly putting off projects that we promise ourselves we ll get to one day In this practical guide Michael Phillips shows readers how to stop postponing and start reaching goals today For busy homemakers harried students overworked pastors and pressured businesspeople this guide provides essential advice Part One gives you the three keys of discipline efficiency and decisiveness the bases for coping with daily duties Part Two tells you how to supervise other people whether they are your children the members of your church group or your employees Part Three reveals indispensable principles for successful problem solving The book also features questions and sample worksheets to help readers apply new concepts and strategies in their daily lives *Bold Thinking Christianity* Michael Phillips,2023-01-25 Inspired by C S Lewis s classic *Mere Christianity* the renowned Christian author presents a bold new vision of faith in modern times In 1952 C S Lewis s *Mere Christianity* turned the tide of public debate surrounding the validity of Christian faith In a series of essays Lewis made compelling arguments for the existence of God and the divinity of Jesus answering popular criticisms of the era Now author Michael Phillips takes up the mantle going beyond mere Christianity to present intellectually rigorous faith as an essential component of contemporary life Once an avowed atheist Lewis found spiritual inspiration in the spiritual writings of George MacDonald As the leading authority on MacDonald s work Michael Phillips draws from the same wellspring of wisdom to provide an equally stimulating examination of Christian theology *The Eyewitness Gospel* Michael Phillips,2017-10-28 The acclaimed Christian novelist and devotional author brings the Bible to life

with this engaging fictionalized account of the Gospel and its writing. A small and insignificant village a few miles south of Jerusalem has been chosen by the heavens for the event that will change history. No one has an inkling of what is to come save the young woman chosen out of obscurity like the village to play a central role in the grand unfolding drama. In *Eyewitness Gospel* Michael Phillips applies his storytelling craft to a vivid retelling of Jesus's life, death, and resurrection as well as the tireless works of his apostles as they spread the good news. [Make Me Like Jesus](#) Michael Phillips, 2017-09-13

The bestselling author serves up a marvelous full-bodied repast for those Christians who seek God's presence rather than any blessings he might bestow. Publishers Weekly: Most of us want to know God more intimately. But are we willing to boldly face the challenge of what that means? Are we truly willing to pray a prayer that may be dangerous in ways we cannot anticipate? Are we willing to ask God to make us like Jesus? Author Michael Phillips shares from his own life how he has learned to take up that challenge. Then he examines key decisions in the life of Jesus Christ that illuminate what it means for each one of us to be conformed to the image of his son: to love like Jesus, think like him, pray like him, and trust the Father like him. If status quo spirituality is for you, do not read this book. It is a dangerous book, dangerous to the flesh for the journey toward Christlikeness may be painful and costly. Yet that journey leads to the ultimate purpose God intends for all his children: conformity to the image of his son. This book is a gem written from the heart by a man I have called brother and friend for twenty years. *Make Me Like Jesus* gives us an open, honest look at what it really means to walk truthfully with Christ. Jim Ryun, former Congressman, Olympian, and coauthor of *Heroes Among Us*. Phillips offers a much-needed corrective to several popular but superficial descriptions of the Christian life. Bishop William C. Frey, author of *The Dance of Hope*.
