New Encyclopedia Britannica 15ed Volume 7:

Socio-Cultural and Religious Conflicts and the Future of Nigeria Lotanna Olisaemeka, 2022 With the prevailing violent conflict situation of our world perpetuated sometimes even in the name of religion humanity today faces extinction To reverse this ugly trend humanity has no choice than to build a society where every tribe and tongue can coexist in peace This work analyzed the violent conflicts from anthropological behavioral politico philosophical and theological perspectives and makes a demand on humanity to save herself through proper education and dialogue with all men and religions

Relativity and the Nature of Spacetime Vesselin Petkov, 2005 What is the nature of spacetime This book develops the answer to this question via a thorough analysis of relativistic effects and explicitly asking whether the objects involved in those effects are three dimensional or four dimensional

Origins of the Universe, Life and Species Plammoottil Cherian, 2018-03-22 The relationship between science and theology has been a crisis for humanity since Darwin's publication of Origin of Species that affects the very core of scientific and Biblical truths with serious consequences In this detailed and absorbing book Dr Cherian provides astounding facts of science that were deciphered in the last 500 years each of which is recorded in the Biblical Scriptures Heeding back to the Biblical account of creation Dr Cherian takes the readers from the erroneous notion of the origin of the universe without a cause and abiogenesis as the source of life to the latest scientific discoveries that corroborate the Biblical evidence for divine creation of the universe life and species that dispel Darwinian evolution The Origins of the Universe Life and Species sheds much light for a better understanding of the Scriptures that were hidden to many scientists researchers and students to relate the scientific discoveries that reveal the Biblical truths for a better appreciation of the unknown God who reveals himself through the many scientists and their discoveries Dr Cherian uses all branches of science from astronomy to zoology connecting the dots between science and theology that stretches from the highest of heavens outer space to the deepest of ocean floor revealing the unknown God to be the KNOWN GOD

From Illusions to Reality Vesselin Petkov, 2013-09-08 The greatest mystery in the world is its very existence In our intellectual development we all reach a turning point when we start asking the perennial existential questions What is the world What am I What is the meaning of the existence of the world and myself As the German philosopher Schopenhauer put it The lower a man stands in intellectual respects the less of a riddle does existence seem to him but the clearer his consciousness becomes the more the problem grasps him in its greatness This book explores what fundamental physics tells us about the physical world and how the scientific picture of what exists often differs disturbingly from the common sense view based on the way our senses reflect the world Centuries old illusions are identified by showing that they contradict experimentally confirmed results of modern physics which clears the way toward deeper understanding of reality The greatest illusion that the world exists only at the present moment of time has been realized by many great thinkers but so far the human race has been unable to free itself from it prompting Einstein to write this the distinction between past present

and future is only a stubbornly persistent illusion Getting rid of such stubbornly persistent illusions by open mindedly examining the implications of modern physics for the physical world can help us rise above the fog of everyday life and see Nature the way she herself is **Biblical Theology - Volume 1** Charles Vogan,2019-09-21 The overarching theme of the Bible is the Father Son relationship In fact the entire Bible is a full description of this relationship between Father and Son as God wants to see it in us We know this because of the testimony of the best authority in the Bible Jesus himself the eternal Son of God The Creator The Father gives life to his Son The Covenant The Father makes his Son his Heir Deliverance Law The Father makes his Son holy The Temple The Father gives full access to his Son The Kingdom The Father seats his Son beside him on the throne Wisdom The Father teaches his Son The Prophet The Father reveals himself through his Son VOLUME 1 The Bible as universal truth The Message of the Bible The Theology of the Old Testament **Polish Folk Music** Anna Czekanowska,1990-07-19 This study of Polish folk music is especially enlightening as it reveals both the history and practice of a musical tradition and offers an illuminating view of a culture and its social activities Within her study Anna Czekanowska analyses the vocal and instrumental traditions of Polish folk music tracing the background history the influences of geography and politics and the practice often within contemporary society of such social events as the harvest the solstice and weddings The function of folk culture within contemporary life for both Polish and non Polish inhabitants of the country is also examined Professor Czekanowska also discusses the birth of Polish ethno musicology as a discipline and details some methodological aspects for research This study contributes to a greater understanding and appreciation of Polish music and in a wider aspect of Slavonic culture The book contains numerous illustrations of instruments and cultural events music examples maps a discography and bibliography **Ethics for Governance** B. P. Mathur,2015-06-12 This book provides a comprehensive overview of India s public services and bureaucratic systems and explores why widespread corruption and inefficient delivery have slowed development It discusses the underlying reasons for the prevailing inefficiency in public services examines the complex linkages between ethics based public service India s cultural and spiritual heritage and its current economic development model and outlines ways to create an ethics code and an environment that is conducive to better administration and good governance Lucid accessible and meticulously researched this will prove essential to scholars and students of public administration governance studies and political science particularly bureaucrats policy makers and civil service aspirants **Awakening the Soul: Book 2** Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe Awakening the Soul Book 3 is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc **Symposium on Electron Microscopy of Microfibers** Irvin M. Asher,Philip P. McGrath,1977 **New Perspectives on Safavid Iran** Colin P. Mitchell,2011-03-03 Based around the three key themes historiography politics and economy art and architecture this collection examines the latest research on
